# Safety Instruction Guide for Faxon 10/22 Bolt Assembly

## Introduction

Thank you for choosing the Faxon 10/22 Bolt Assembly. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure proper handling of the product to prevent accidents.
- Always treat the bolt assembly as if it is loaded, even when you believe it is not.
- Store the bolt assembly in a secure location, away from children and unauthorized users.
- Regularly inspect the bolt assembly for any signs of wear or damage before use.
- Be aware of your surroundings and ensure that no one is in the line of fire when using firearms.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Only use the Faxon 10/22 Bolt Assembly with compatible Ruger® factory parts.
- Ensure that the firearm is unloaded before installing or replacing the bolt assembly.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Do not modify the bolt assembly in any way, as this may compromise safety and functionality.
- If you experience any malfunctions or issues during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

### 2. Installation:

- Remove the existing bolt from the firearm if applicable.
- Carefully insert the Faxon 10/22 Bolt Assembly into the receiver.
- Ensure that the bolt is seated properly and that all components are aligned.
- Reassemble any parts that were removed during the installation process, including the trigger group and charging handle.

### 3. Testing:

- After installation, perform a function check to ensure the bolt assembly operates correctly.
- Cycle the action to ensure smooth operation and check for any unusual sounds or resistance.

### 4. Usage:

- When ready to use, load the firearm according to the manufacturer's instructions.
- Always keep the firearm pointed in a safe direction.
- Follow standard operating procedures for loading, firing, and unloading the firearm.

## **Disposal Instructions**

- Dispose of any damaged or worn components of the bolt assembly in accordance with local regulations.
- Do not dispose of the bolt assembly in regular household waste.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Faxon 10/22 Bolt Assembly, please refer to the manufacturer's website or customer service for additional support.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and usage of firearms and related components.
