

# MUZZLOK® 7.62X39MM LUGER FLASH HIDER - FAXON FIREARMS

## MUZZLOK 7.62X39 PORTED FLASH HIDER NITRIDE BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

Faxon's invented "MuzzLok" feature on this device allows for easy timing and installation of your device without the need for a crush washer or shims. By using the extension nut to adjust the length of the device, you can adjust the rotational timing. It is recommended that you tighten the device to the recommended torque specification of 20-25 foot pounds. By not having to overcome the resistance of the crush washer, this allows devices to be removed and reinstalled in the field if desired. FEATURES No crush washer needed. Attach and remove in the field. Time your muzzle device quickly and easily. Note: Cannot be shipped to CA

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the MUZZLOK® 7.62X39MM LUGER FLASH HIDER by Faxon Firearms. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. This safety instruction guide provides essential information to ensure safe usage, installation, and disposal of the product.

### General Safety Guidelines

- Always handle firearms and accessory devices with care and respect.
- Ensure that the MUZZLOK® flash hider is compatible with your firearm before installation.
- Read and understand all safety instructions before using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for signs of wear or damage to the flash hider.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure the firearm is unloaded before installing or removing the flash hider.
  - Use appropriate tools to avoid injury during installation.
- **Operational Safety:**
  - Always wear eye and ear protection when firing your firearm.
  - Be aware of your surroundings and ensure a safe shooting environment.
- **Maintenance Safety:**
  - Regularly inspect the flash hider for any signs of damage or wear.
  - Clean the flash hider according to the manufacturer's recommendations.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools: a torque wrench and the MUZZLOK® flash hider.

#### 2. Installation:

- Remove any existing muzzle device from the firearm.
- Clean the threads of the muzzle to ensure proper fit.
- Thread the MUZZLOK® flash hider onto the muzzle until it is handtight.
- Use the extension nut to adjust the length and rotational timing of the device.
- Tighten the flash hider to the recommended torque specification of 2025 foot pounds using a torque wrench.
- Confirm that the flash hider is securely attached and properly timed.

### **3. Usage:**

- Always follow safe shooting practices when using your firearm equipped with the MUZZLOK® flash hider.
- Be mindful of the device's performance and any changes in your shooting experience.

## **Disposal Instructions**

- Dispose of the MUZZLOK® flash hider in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the MUZZLOK® flash hider, please reach out to your local authorized dealer or the manufacturer directly. Ensure you have the product information available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MUZZLOK® 7.62X39MM LUGER FLASH HIDER. Thank you for prioritizing safety and compliance.
