# FX7 6.5 Creedmoor Barreled Bolt Action Receiver Safety Instructions

## Introduction

Thank you for choosing the FX7 6.5 Creedmoor Barreled Bolt Action Receiver by Faxon Firearms. This product is designed for precision shooting and is built with highquality materials to ensure safety and reliability. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used as intended and in accordance with all safety guidelines.
- Always treat the firearm as if it is loaded, even when you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the firearm for signs of wear or damage.
- Always use appropriate personal protective equipment (PPE) when handling or shooting the firearm.
- Be aware of your surroundings and ensure that you are in a safe environment before using the firearm.
- Follow all local, state, and national laws regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Only use ammunition that is specifically designed for the 6.5 Creedmoor caliber.
- Ensure that the firearm is properly assembled before use. Refer to the installation instructions below.
- Always check the barrel for obstructions before loading and firing.
- Use the firearm only in wellventilated areas to avoid inhaling fumes from gunpowder.
- Do not modify the firearm in any way that could compromise its safety.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.
- Ensure that all users of the firearm are trained and understand safe handling practices.

## Instructions for Installation and Usage

### Installation

#### 1. Trigger Installation:

- Select your preferred trigger compatible with the Remington® 700 pattern.
- Follow the manufacturer's instructions for the trigger installation.
- Ensure that the trigger is securely installed before proceeding.

#### 2. Stock/Chassis Installation:

- Choose a stock or chassis compatible with Remington® 700 Short action.
- Align the barreled action with the stock/chassis and secure it using the provided hardware.
- Verify that all screws and fasteners are tightened to the manufacturer's specifications.

#### 3. Barrel Installation:

- If using a Faxon Firearms FX7 Prefit barrel, refer to the barrel manufacturer's installation instructions.
- Ensure proper alignment and torque specifications are followed.

#### 4. Final Checks:

- Perform a thorough inspection of the assembled firearm.
- Ensure that the bolt operates smoothly and that the action cycles without obstruction.

### Usage

- Always follow the firearm's operating procedures as outlined in the manufacturer's manual.
- Load the firearm only when you are ready to shoot.
- Maintain a proper shooting stance and grip to ensure control during firing.
- After firing, always check the firearm to ensure it is clear of any obstructions before reloading.

### Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- If the firearm is no longer functional or safe to use, consult a qualified professional for proper disposal methods.
- Ensure that all ammunition is disposed of following safety guidelines to prevent accidental discharge.

### Contact Information for Further Support

For any questions or concerns regarding the FX7 6.5 Creedmoor Barreled Bolt Action Receiver, please reach out to your local dealer or the manufacturer for assistance. It is important to have access to support for any safety inquiries or product issues.

Thank you for prioritizing safety and responsible usage of your FX7 6.5 Creedmoor Barreled Bolt Action Receiver. Enjoy your shooting experience!
