## Introduction

Thank you for choosing the Faxon FX7 8.6 Blackout Barreled Bolt Action Receiver. This product is designed for precision shooting and should be used responsibly. This safety instruction guide provides essential information to ensure safe handling, installation, and use of your new receiver.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm securely and out of the reach of children and unauthorized users.
- Use only the recommended ammunition for your receiver.
- Always wear appropriate eye and ear protection when using your firearm.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Regularly inspect your firearm for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the receiver is properly installed in a compatible stock or chassis before use.
- Verify that the trigger is correctly installed and functioning before attempting to fire the firearm.
- Do not attempt to modify the receiver or its components without proper knowledge and expertise.
- Avoid using the firearm in adverse weather conditions that may affect its performance.
- Always follow the manufacturer's instructions for installation and usage.
- Keep your fingers off the trigger until you are ready to shoot.
- Do not rely solely on mechanical safeties; always follow safe handling practices.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that you have the necessary tools and a clean workspace.
- Select a compatible stock or chassis for the FX7 receiver.
- Carefully install the receiver into the stock or chassis, ensuring that all screws and fasteners are tightened securely.
- Install your preferred trigger according to the manufacturer's instructions.
- Perform a function check to ensure that the trigger and receiver are operating correctly.

### 2. Usage

- Before loading your firearm, ensure that the area is clear and safe.
- Load the firearm with the appropriate ammunition.
- Always check the chamber to confirm that it is clear before loading.
- When ready to fire, ensure that you have a stable shooting position and proper grip.
- After firing, always check the firearm for any malfunctions or issues.

## Disposal Instructions

- Dispose of any defective or damaged parts in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or waste management facilities for guidance on proper disposal methods for firearms and related components.
