## APOLLO ELECTRONIC SOUND SUPPRESSOR BLACK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Meet the Apollo Electronic Sound Suppressors from Savior Equipment! This ear protection features a 24dB noise reduction rating! With a twist of the power knob, environmental sounds and voices are amplified while loud, harmful noises are instantly compressed. The Apollo Electronic Sound Suppressors operate with 2 AAA Batteries. The Apollo Ear Muffs have cool gel ear pads and a padded mesh headband for all day comfort. These Ear Muffs are compact and collapsible, making them hassle-free to carry on any outing. You can flip the ear cups out when needed, and simply fold them in when you are done. Not only do the Apollo Ear Muffs come in several colors, they also feature a fan favorite writeable ID patch for instant identification.

# Apollo Electronic Sound Suppressors Safety Instruction Guide

## Introduction

Thank you for choosing the Apollo Electronic Sound Suppressors from Savior Equipment. This product is designed to provide effective ear protection while allowing you to hear environmental sounds and conversations. To ensure your safety and the best experience with your new ear muffs, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** The Apollo Electronic Sound Suppressors are designed to ensure safe use. Always use the product as intended.
- **Enhanced Recalls:** Stay informed about any recalls. If you receive a notice, follow the instructions provided for a remedy.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** Extra caution should be taken when used by children or vulnerable individuals. Always supervise their use.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer or authorized dealers in your region.
- **Rapid Alerts:** Check the EU Safety Gate platform for updates regarding product safety and potential hazards.

## Specific Safety Precautions for Use

- **Noise Reduction:** The Apollo Electronic Sound Suppressors have a noise reduction rating (NRR) of 24 dB. Ensure they are properly fitted to achieve maximum protection.
- **Battery Safety:** Use only 2 AAA batteries as specified. Do not mix old and new batteries or different battery types.
- **Hearing Protection:** Do not use the product in environments where noise levels exceed safe limits if the suppressors are not functioning properly.
- **Comfort:** Adjust the padded mesh headband for a secure fit. If discomfort occurs, discontinue use and adjust or replace the product.
- **Maintenance:** Regularly inspect the ear muffs for any signs of wear or damage. Replace any damaged parts immediately.

## Instructions for Installation and Usage

### 1. Inserting Batteries:

- Open the battery compartment located on the ear muffs.
- Insert 2 AAA batteries, ensuring the correct polarity (+/-) is observed.
- Close the battery compartment securely.

### 2. Fitting the Ear Muffs:

- Place the ear muffs over your ears, ensuring a snug fit.
- Adjust the padded mesh headband for comfort and stability.

### 3. Using the Power Knob:

- Turn the power knob to the "On" position to activate the electronic sound suppression feature.
- Adjust the knob to amplify environmental sounds as needed.

#### 4. **Collapsing for Storage:**

- To store the ear muffs, flip the ear cups inward until they are compact.
- Store in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- **Battery Disposal:** Dispose of used batteries in accordance with local regulations. Do not throw batteries in household waste.
- **Product Disposal:** When the ear muffs reach the end of their life, dispose of them responsibly. Check local guidelines for electronic waste disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer or authorized dealers in your region.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Apollo Electronic Sound Suppressors. Thank you for prioritizing your hearing safety!
