## APOLLO ELECTRONIC SOUND SUPPRESSOR BLUE

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Meet the Apollo Electronic Sound Suppressors from Savior Equipment! This ear protection features a 24dB noise reduction rating! With a twist of the power knob, environmental sounds and voices are amplified while loud, harmful noises are instantly compressed. The Apollo Electronic Sound Suppressors operate with 2 AAA Batteries. The Apollo Ear Muffs have cool gel ear pads and a padded mesh headband for all day comfort. These Ear Muffs are compact and collapsible, making them hassle-free to carry on any outing. You can flip the ear cups out when needed, and simply fold them in when you are done. Not only do the Apollo Ear Muffs come in several colors, they also feature a fan favorite writeable ID patch for instant identification.

# Apollo Electronic Sound Suppressors Safety Instruction Guide

## Introduction

Thank you for choosing the Apollo Electronic Sound Suppressors from Savior Equipment. These ear protection devices are designed to provide comfort and safety in noisy environments while allowing you to hear important sounds. This guide provides essential safety instructions to ensure the effective and safe use of your Apollo Ear Muffs.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions to avoid hazards.
- Regularly inspect the ear muffs for any signs of damage or wear before each use.
- Keep the product away from children unless supervised by an adult.
- Store the ear muffs in a dry place when not in use to maintain their integrity.
- Report any unsafe conditions or incidents involving the product to the appropriate authorities.
- Check for product recall updates on the EU's Safety Gate platform to stay informed.

## Specific Safety Precautions for Use

- Do not use the ear muffs in environments where hearing protection is not required.
- Always ensure the ear muffs are properly fitted to your head to maximize noise reduction.
- Avoid exposing the ear muffs to extreme temperatures or moisture to prevent damage to the electronic components.
- Do not attempt to disassemble or modify the ear muffs as this may compromise safety features.
- Use only the recommended 2 AAA batteries for operation; do not mix old and new batteries.
- If you experience discomfort or irritation while wearing the ear muffs, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Inserting Batteries:

- Open the battery compartment located on the ear muffs.
- Insert 2 AAA batteries, ensuring the correct polarity is followed as indicated inside the compartment.
- Close the battery compartment securely.

### 2. Wearing the Ear Muffs:

- Adjust the padded mesh headband for a comfortable fit on your head.
- Position the ear cups over your ears, ensuring a snug fit without excessive pressure.
- If needed, flip the ear cups out for easier storage and fold them back in when done.

### 3. Operating the Sound Suppression Feature:

- Turn the power knob to the "on" position to activate the sound suppression feature.
- Adjust the knob to amplify environmental sounds and voices while compressing loud noises.
- Always test the functionality in a safe environment before using in highnoise areas.

### 4. Maintenance:

- Clean the ear muffs regularly with a damp cloth to remove dirt and sweat.

- Do not use harsh chemicals or solvents that may damage the product.
- Store in a protective case when not in use to prevent physical damage.

## Disposal Instructions

- Dispose of the ear muffs in accordance with local regulations regarding electronic waste.
- Remove batteries before disposal and recycle them at designated battery recycling points.
- Do not dispose of the product in regular household waste to minimize environmental impact.

## Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact the customer service department of Savior Equipment. Ensure you have your product details and any relevant information ready when seeking support.

Thank you for using the Apollo Electronic Sound Suppressors. Stay safe and enjoy optimal sound protection!
