

# ROLLER HANDLE UPGRADE FOR SIX PACK/CLASSIC SERIES PRESSES - LEE PRECISION ROLLER HANDLE UPGRADE FOR SIX PACK/CLASSIC SERIES PRESSES

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

The Big Press Roller Handle is ergonomically correct for long reloading sessions and has a compound bend which eliminates the need to slouch on the down stroke. What sets Lee's Big Press Roller Handle apart from others, is their high strength tubular steel handle is balanced, reducing the likelihood of any pinched fingers. Upgrade your Six Pack Pro, Classic Turret Press or Classic Cast ball grip to an ergonomic hardwood roller handle grip. Note: Classic Turret and Classic Cast presses purchased prior to year 2023 will need updated 10-degree lever clamp and 10 degree lever sleeve. Pre-2023 press owners, make sure a 10-degree lever clamp and lever sleeve are added \*

# ROLLER HANDLE UPGRADE FOR SIX PACK/CLASSIC SERIES PRESSES

## Introduction

Thank you for choosing the Roller Handle Upgrade for your Lee Precision Six Pack or Classic Series Presses. This guide provides essential safety instructions, installation procedures, and usage tips to ensure a safe and effective reloading experience.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the equipment for any signs of wear or damage before use.
- If you notice any defects or malfunctions, discontinue use immediately and contact the manufacturer.

## Specific Safety Precautions for Use

- Ensure that your workspace is clean, dry, and well-lit to avoid accidents.
- Always use the roller handle with both hands to maintain control during operation.
- Avoid wearing loose clothing or jewelry that may get caught in the equipment.
- Be cautious of pinch points when operating the roller handle.
- Do not exceed the recommended load limits of the press.
- Always follow the manufacturer's guidelines for compatible press models.

## Instructions for Installation and Usage

### 1. Installation of the Roller Handle

- Ensure that the press is unplugged and not in operation.
- Remove the existing handle from your press by unscrewing it.
- Align the new roller handle with the mounting point on the press.
- Securely fasten the roller handle using the provided screws.
- If applicable, ensure that the updated 10-degree lever clamp and lever sleeve are installed for presses purchased before 2023.

### 2. Using the Roller Handle

- Stand comfortably with your feet shoulderwidth apart for stability.
- Grip the roller handle firmly with both hands.
- Pull the handle down smoothly without jerking to avoid strain.
- Maintain a steady rhythm while operating the press to ensure consistent performance.
- After use, return the handle to its resting position to prevent accidental engagement.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please contact your local distributor or the manufacturer directly. Ensure you have the product details ready for a more efficient response.

By adhering to these safety instructions and guidelines, you can enjoy a safe and efficient reloading experience with your Roller Handle Upgrade. Thank you for prioritizing safety and compliance with EU regulations.
