Introduction

Thank you for purchasing the CLOSED FRONT HANGING BINS. This product is designed to provide a safe and efficient storage solution. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with this product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Regularly inspect the hanging bins for any signs of damage or wear. If damaged, discontinue use immediately.
- Keep the product out of reach of children to prevent accidents.
- Do not overload the bins beyond their intended capacity to avoid spillage or structural failure.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.
- Stay informed about any recalls or safety alerts related to this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the hanging bins for their intended purpose: storage of nonfood items.
- Avoid placing heavy or unstable items that may cause the bins to tip over.
- Ensure the bins are securely mounted on compatible bin brackets.
- Do not modify the product in any way, as this may compromise safety.
- If using in a hightraffic area, ensure that the bins are placed where they will not obstruct pathways.

Instructions for Installation and Usage

1. Installation:

- Select a suitable location for mounting the hanging bins.
- Ensure that the wall or surface can support the weight of the bins and their contents.
- Use appropriate bin brackets that are compatible with the hanging bins.
- Follow the manufacturer's guidelines for mounting the brackets securely.

2. Usage:

- Load the bins evenly, distributing weight to prevent tipping.
- Ensure that the closed front feature is functioning correctly to prevent spillage.
- Regularly check that the bins remain securely attached to the brackets.

Disposal Instructions

- Dispose of the hanging bins responsibly at the end of their life cycle.
- Check local regulations for proper disposal methods for polypropylene products.
- Do not dispose of the bins in regular household waste if local recycling programs accept plastic materials.
