

ARCA SWISS® BINOCULAR ADAPTOR TOOL - BOG GEAR ARCA SWISS BINOCULAR MOUNT BLACK

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binocular Accessories](#)

The Arca Swiss® Bino Adapter is an agile scouting tool designed around the BOG® Infinite, DeathGrip® Infinite and DeathGrip® Sherpa tripods, but will work with any Arca Swiss® mounting system. The skeletonized aluminum construction keeps weight to a minimum, while the quick-detach binocular stud allows binoculars to be stored in a bino harness when not being used, then quickly re-attached for sudden scouting situations.

Safety Instruction Guide for ARCA SWISS® Binocular Adaptor Tool BOG GEAR

Introduction

Thank you for choosing the ARCA SWISS® Binocular Adaptor Tool from BOG GEAR. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this document carefully before using the adaptor tool.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose. The ARCA SWISS® Binocular Adaptor Tool is designed for mounting binoculars on compatible tripods.
- Always inspect the product for any visible damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children. It is not a toy and should be used only by individuals familiar with binocular and tripod equipment.
- Follow all local laws and regulations regarding outdoor equipment and usage.
- In case of any accidents or unsafe conditions, report them to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the binoculars and tripod combination.
- Ensure that the binoculars are securely fastened to the adaptor before use to prevent falls.
- Avoid using the adaptor tool in extreme weather conditions, such as high winds or heavy rain, which may affect stability.
- Be cautious when detaching and reattaching binoculars, ensuring that your hands are clear of any moving parts.
- Do not modify or alter the adaptor tool in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Installation of the Adaptor Tool

- Ensure the tripod is stable and securely positioned on a flat surface.
- Align the adaptor tool with the Arca Swiss® mounting plate on the tripod.
- Secure the adaptor tool by tightening the locking mechanism until it is firmly in place.

2. Attaching Binoculars

- Locate the quickdetach binocular stud on the adaptor tool.
- Align the binoculars' mounting plate with the stud and press down until it clicks into place.
- Ensure that the binoculars are securely attached by gently pulling on them.

3. Using the Binoculars

- Adjust the binoculars to your preferred viewing angle.
- When finished, detach the binoculars by pressing the release button on the quickdetach stud and gently lifting the binoculars away.

4. Storage

- When not in use, store binoculars in a bino harness or a protective case to prevent damage.
- Store the adaptor tool in a dry, cool place away from direct sunlight.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and aluminum waste.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, contact your local waste management facility for guidance.

Contact Information for Further Support

For any safety inquiries or additional support regarding the ARCA SWISS® Binocular Adaptor Tool, please contact the manufacturer or your local retailer. Always keep the product manual for reference.

Thank you for your attention to these safety instructions. Enjoy your outdoor experiences with the ARCA SWISS® Binocular Adaptor Tool from BOG GEAR. Stay safe!
