## **L5AWM GEN2 5.56X45 NATO 30RD MAGAZINE CLEAR**

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Lancer set out to design a better 5.56 magazine, one with the reliability of steel and the durability and weight of polymer. The L5 Advanced Warfighter Magazine (AWM®) is that magazine. The GEN 2 features an all-new precision engineered feed lip design, stainless steel spring, anti-tilt follower and new floorplate lock, the new L5AWM GEN 2 is positioned to secure its place as the leading professional grade "STANAG style" magazine on the market. The L5AWM's exclusive hybrid design includes a proprietary polymer body with aggressive surface texturing to create the ultimate rifle magazine tough enough for military, law enforcement, and competition applications. The L5AWM is compatible with modern weapon systems, including M4/M16/AR15, SCAR16, HK416, ARX160, SIG556, ARC, SIG MCX, IWI Tavor, IWI X95, SA80, chambered in 5.56x45mm / .223 Remington. Designed, tooled, manufactured, and assembled in the USA!

# L5AWM GEN 2 5.56x45 NATO Rifle Magazine Safety Instructions

## Introduction

Thank you for choosing the L5AWM GEN 2 5.56x45 NATO Rifle Magazine from Lancer Systems. This safety instruction guide is designed to help you understand how to use this product safely and effectively. Please read this guide carefully to ensure proper handling and usage.

## General Safety Guidelines

- Product Safety:** Ensure safe use of the L5AWM GEN 2 magazine by following all instructions. This magazine is designed for use with specific firearms and should not be used with incompatible models.
- Enhanced Recalls:** In the event of a product recall, follow the instructions provided in the recall notice and return the product for a remedy.
- Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements and provides a secure transaction environment.
- Special Consumer Focus:** This product is not intended for use by children. Always keep the magazine out of reach of children and vulnerable individuals.
- EU Contact Point:** For safety inquiries, consult the relevant EU-based contact for assistance.
- Rapid Alerts:** Stay informed about product safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Compatibility:** Ensure that the magazine is compatible with your firearm model (M4/M16/AR15, SCAR16, HK416, ARX160, SIG556, ARC, SIG MCX, IWI Tavor, IWI X95, SA80).
- Inspection:** Before each use, inspect the magazine for any signs of damage or wear. Do not use if damaged.
- Loading:** Follow the manufacturer's loading instructions to avoid overloading the magazine.
- Handling:** Always handle the magazine with care, avoiding any unnecessary force that may cause damage.
- Storage:** Store the magazine in a cool, dry place away from direct sunlight and extreme temperatures.
- Cleaning:** Clean the magazine regularly with appropriate materials to maintain functionality.

## Instructions for Installation and Usage

- Installation:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Insert the magazine into the magazine well until it clicks into place.
3. Perform a function check to ensure the magazine is seated properly.

- Usage:**

1. Load the magazine according to the specified capacity (30 rounds).
2. Ensure the firearm is ready for use, following all safety protocols.
3. After use, remove the magazine by pressing the magazine release button and pulling the magazine out of the well.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations concerning plastic and metal waste.
- If the magazine is damaged beyond repair, consider recycling the materials where possible.

- Do not dispose of the magazine in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the L5AWM GEN 2 5.56x45 NATO Rifle Magazine, please consult the retailer or manufacturer for guidance and support.

By following these safety instructions, you can ensure the safe and effective use of your L5AWM GEN 2 magazine. Thank you for your attention to safety.
