Safety Instruction Guide for MLOK Extension Bar

Introduction

Thank you for choosing the MLOK Extension Bar by A3 Industries. This product is designed for use with AR15 platforms and features a folding design for versatility. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the product is compatible with your firearm before installation.
- Inspect the MLOK Extension Bar for any damage or defects before each use.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer.
- Ensure that the hinges are securely latched in both the folded and open positions before use.
- Avoid placing fingers or other body parts near the hinge mechanism while adjusting the product.
- Use caution when folding or unfolding the extension bar to prevent pinching or injury.
- Always wear appropriate safety gear when handling firearms.

Instructions for Installation and Usage

Installation

1. **Check Compatibility:** Ensure that your firearm is compatible with the MLOK Extension Bar.
2. **Prepare Tools:** Gather necessary tools for installation, including a torque wrench and the appropriate screws.
3. **Align the Bar:** Position the MLOK Extension Bar on the designated area of your firearm.
4. **Secure the Bar:** Use the provided screws to attach the extension bar securely to the firearm. Ensure all screws are tightened to the manufacturer's specifications.
5. **Test the Mechanism:** After installation, test the folding mechanism to ensure it operates smoothly.

Usage

1. **Adjust the Position:** Depending on your preference, fold the extension bar to the right or left.
2. **Check Latch Mechanism:** Confirm that the hinges are latched in both folded and open positions before using the firearm.
3. **Regular Maintenance:** Periodically check the screws and hinges for tightness and wear. Lubricate the hinge mechanism as needed to ensure smooth operation.

Disposal Instructions

- Dispose of the MLOK Extension Bar in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the aluminum material where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MLOK Extension Bar, please reach out to the

designated EU contact point provided by the manufacturer.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
