# Safety Instruction Guide for RIFLE 2 DIE SETS LEE PRECISION .32 WINCHESTER PACESETTER FULL LENGTH SIZING 2DIE SET

## Introduction

Thank you for purchasing the RIFLE 2 DIE SET LEE PRECISION .32 WINCHESTER PACESETTER FULL LENGTH SIZING 2DIE SET. This product is designed for safe and efficient reloading of ammunition. To ensure your safety and the safe operation of this product, please read and follow the instructions and guidelines contained in this manual.

## General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure that your workspace is clean, organized, and free from distractions.
- Keep all reloading materials, including primers, powder, and bullets, out of reach of children and unauthorized persons.
- Store the die set and all reloading components in a secure location.
- Familiarize yourself with the reloading process before attempting to use the die set.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Handle all components of the die set carefully to avoid injury.
- Ensure that the die set is compatible with your reloading press before use.
- Always doublecheck measurements and load data before proceeding with reloading.
- Do not exceed recommended load limits provided in the instructions or load data.
- Be aware of the potential hazards associated with handling gunpowder and primers, including fire and explosion risks.
- Avoid using damaged or worn equipment. Inspect the die set for any signs of damage before each use.

## Instructions for Installation and Usage

### 1. Unpack the Die Set

- Carefully remove the die set from its packaging.
- Ensure that all components are present: Full Length Sizing Die, Bullet Seating Die, Universal Shell Holder, Powder Dipper, and Instructions/Load Data.

### 2. Setup

- Securely mount your reloading press to a stable work surface.
- Attach the Full Length Sizing Die to the press according to the manufacturer's instructions.
- Insert the Universal Shell Holder into the press.

### 3. Reloading Process

- Follow the load data provided in the instructions to determine the appropriate powder charge.
- Use the Powder Dipper to measure the powder charge accurately.
- Place the cartridge case in the shell holder and operate the press to resize the case.

- Remove the resized case and proceed to seat the bullet using the Bullet Seating Die.

#### **4. PostReloading**

- Inspect each completed cartridge for proper seating and overall quality.
- Store completed ammunition in a safe and secure location.

## **Disposal Instructions**

- Dispose of any unused or excess reloading materials according to local regulations.
- Do not dispose of gunpowder or primers in regular household waste.
- Contact local waste management authorities for guidance on the safe disposal of hazardous materials.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety or product usage, please refer to the manufacturer's website or contact your retailer directly.

Thank you for prioritizing safety in your reloading practices. Enjoy your reloading experience with the RIFLE 2 DIE SET LEE PRECISION .32 WINCHESTER PACESETTER FULL LENGTH SIZING 2DIE SET.
