

# RIFLE FULL LENGTH SIZING DIES ONLY - LEE PRECISION 7MM-08 REMINGTON FULL LENGTH SIZING DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

A full-length sizing die is designed to resize the entire length of the cartridge case, not just the neck. Unlike neck-sizing dies, which only resize the neck portion, full-length sizing dies are versatile and suitable for any rifle chambered in the same cartridge. When you fire a cartridge, the brass case expands to fit the chamber of your rifle. After firing, the case contracts slightly, but it may not return to its original dimensions. The full-length sizing die restores the case to the correct dimensions by resizing both the neck and body. It also removes any bulges or irregularities caused during firing. Setting up a full-length sizing die involves several steps: Clean the outside of the fired cases with alcohol and a cloth. Zero out the calipers using a headspace comparator and a fired case. Install the full-length sizing die and adjust it gradually until the case shoulder is bumped back by 0.001 inch. Lock the die and lubricate the cases before sizing them. Check the shoulder bump every 10 cases or so and adjust the die if needed. Avoid overworking the brass to prevent case head separation.

## Attributes

- Name: [LEE PRECISION 7MM-08 REMINGTON FULL LENGTH SIZING DIE ONLY](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 430109148
- Mfr. No.: 91061
- Cartridge: 7 mm - 08 Remington
- Die Style: Full Length Sizing Die
- Delivery weight: 0.193kg
- Shipping height: 38mm
- Shipping width: 41mm
- Shipping length: 124mm
- UPC: 734307910617

# **Safety Instruction Guide for RIFLE FULL LENGTH SIZING DIES ONLY LEE PRECISION 7MM08 REMINGTON FULL LENGTH SIZING DIE ONLY**

## **Introduction**

Thank you for choosing the RIFLE FULL LENGTH SIZING DIES ONLY by LEE PRECISION. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective operation of the product. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure safe use of the product by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of reloading equipment.
- Always use the product in a wellventilated area to avoid inhaling any dust or fumes.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on product recalls or safety alerts via the EU's Safety Gate platform.
- Report any unsafe products or accidents to local authorities.

## **Specific Safety Precautions for Use**

- Always wear safety glasses to protect your eyes from debris.
- Use appropriate gloves to protect your hands from sharp edges and cleaning agents.
- Avoid overworking the brass to prevent case head separation.
- Do not exceed the recommended adjustments for the sizing die.
- Ensure that the die is securely locked before use to prevent accidents.
- Clean the outside of fired cases properly before sizing to avoid contamination.
- Check the shoulder bump every 10 cases and adjust the die as necessary.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Clean the outside of the fired cases with alcohol and a cloth.
- Ensure your workspace is clean and free from distractions.

### **2. Setting Up the Die:**

- Zero out the calipers using a headspace comparator and a fired case.
- Install the fulllength sizing die into your reloading press.
- Gradually adjust the die until the case shoulder is bumped back by 0.001 inch.
- Lock the die in place to maintain the adjustment.

### **3. Sizing the Cases:**

- Lubricate the cases before sizing them to prevent sticking.
- Insert the case into the sizing die and operate the reloading press according to the manufacturer's instructions.
- After sizing, check the shoulder bump to ensure correct dimensions.

### **4. PostUse:**

- Inspect the resized cases for any damage or irregularities.
- Store the sizing die in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of any damaged or unusable cases in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs that accept metal products.
- Ensure that all cleaning agents and lubricants are disposed of properly, following local environmental guidelines.

## **Contact Information for Further Support**

For further support or safety inquiries, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience when using the RIFLE FULL LENGTH SIZING DIES ONLY LEE PRECISION 7MM08 REMINGTON FULL LENGTH SIZING DIE ONLY. Thank you for your attention to safety and proper usage.
