

RIFLE FULL LENGTH SIZING DIES ONLY - LEE PRECISION 7MM REMINGTON MAGNUM FULL LENGTH SIZING DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

A full-length sizing die is designed to resize the entire length of the cartridge case, not just the neck. Unlike neck-sizing dies, which only resize the neck portion, full-length sizing dies are versatile and suitable for any rifle chambered in the same cartridge. When you fire a cartridge, the brass case expands to fit the chamber of your rifle. After firing, the case contracts slightly, but it may not return to its original dimensions. The full-length sizing die restores the case to the correct dimensions by resizing both the neck and body. It also removes any bulges or irregularities caused during firing. Setting up a full-length sizing die involves several steps: Clean the outside of the fired cases with alcohol and a cloth. Zero out the calipers using a headspace comparator and a fired case. Install the full-length sizing die and adjust it gradually until the case shoulder is bumped back by 0.001 inch. Lock the die and lubricate the cases before sizing them. Check the shoulder bump every 10 cases or so and adjust the die if needed. Avoid overworking the brass to prevent case head separation.

Attributes

- Name: [LEE PRECISION 7MM REMINGTON MAGNUM FULL LENGTH SIZING DIE ONLY](#)

Safety Instruction Guide for RIFLE FULL LENGTH SIZING DIES ONLY LEE PRECISION 7MM REMINGTON MAGNUM FULL LENGTH SIZING DIE ONLY

Introduction

Thank you for choosing the RIFLE FULL LENGTH SIZING DIES ONLY LEE PRECISION 7MM REMINGTON MAGNUM FULL LENGTH SIZING DIE. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle reloading equipment with care and follow all safety precautions.
- Ensure that you are using the correct die for the specific cartridge.
- Keep the work area clean and organized to prevent accidents.
- Store dies and reloading components out of reach of children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling brass and tools.
- Be aware of your surroundings and ensure that no one is in close proximity while you are resizing cases.

Specific Safety Precautions for Use

• Potential Hazards:

- Risk of injury from sharp edges on dies.
- Risk of case head separation if brass is overworked.
- Potential for accidents due to improper handling or setup.

• Instructions to Avoid Hazards:

- Always inspect dies for damage or wear before use.
- Avoid excessive force when adjusting the die to prevent damage to the die or cases.
- Do not exceed the recommended shoulder bump of 0.001 inch.
- Lubricate cases properly to prevent sticking in the die.
- Always check for bulges or irregularities in cases before resizing.

• Age or Audience Specific Warnings:

- This product is not intended for use by individuals under the age of 18.
- Ensure that inexperienced users are supervised by knowledgeable individuals when using this product.

Instructions for Installation and Usage

• Setup Instructions:

1. Clean the outside of fired cases using alcohol and a cloth.
2. Zero out the calipers using a headspace comparator and a fired case.
3. Install the fulllength sizing die into your reloading press.

4. Gradually adjust the die until the case shoulder is bumped back by 0.001 inch.
5. Lock the die in place once the adjustment is complete.
6. Lubricate the cases before resizing to ensure smooth operation.
7. Check the shoulder bump every 10 cases and adjust the die if necessary.

- **Usage Instructions:**

- Always inspect each case before resizing to ensure it is suitable for use.
- Use the sizing die only for the specified cartridge (7mm Remington Magnum).
- Maintain a steady and controlled motion while resizing to avoid damaging the brass.
- Keep track of the number of cases resized to monitor the need for adjustments.

Disposal Instructions

- Dispose of any damaged or unusable cases and materials according to local regulations.
- Do not dispose of brass cases in regular trash; check for local recycling options.
- Ensure that all packaging materials are disposed of responsibly.

Contact Information for Further Support

For any inquiries or concerns regarding the use of this product, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Thank you for following these safety guidelines. Your safety is our priority, and we hope you have a successful and enjoyable experience with your RIFLE FULL LENGTH SIZING DIES ONLY LEE PRECISION 7MM REMINGTON MAGNUM FULL LENGTH SIZING DIE.
