MXT Complete Extension Package for Beretta 1301/A300 Tactical Safety Instructions

Introduction

Thank you for choosing the MXT Complete Extension Package for Beretta 1301/A300 Tactical. This product is designed to enhance the magazine capacity of your firearm safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only with compatible Beretta models: 1301 Tactical Gen 1/Gen 2 and A300 models with a 5round factory capacity.
- Always follow the manufacturer's instructions for installation and use.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing the extension.
- Do not exceed the maximum magazine capacity of 7 rounds, as specified for this extension.
- Use only factoryapproved ammunition to avoid malfunctions.
- Avoid using the extension in wet or humid conditions to prevent corrosion.
- Ensure that the magazine spring is properly installed and functioning before use.
- If you experience any malfunctions or issues, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools and Materials:** Ensure you have the necessary tools, including a screwdriver and any specific tools required for your firearm model.
2. **Unload the Firearm:** Ensure that the firearm is completely unloaded and pointed in a safe direction.
3. **Remove the Existing Magazine Tube:**
 - Unscrew the existing magazine tube from the firearm.
 - Carefully set aside the old tube and any associated components.
4. **Install the MXT Magazine Extension:**
 - Attach the MXT magazine extension to the magazine tube.
 - Ensure it is securely fastened and aligned properly.
5. **Install the Barrel Clamp Kit:**
 - Attach the barrel clamp to the designated area on your firearm.
 - Secure the Picatinny rail and QDA swivel attachment as per the instructions provided.
6. **Check the Magazine Spring:** Ensure the factory magazine spring is installed correctly. A spare generic spring is included if needed.
7. **Final Inspection:** Doublecheck that all components are securely attached and that there are no loose parts.

Usage Instructions

- Load the magazine extension with a maximum of 7 rounds of factoryapproved ammunition.
- Always keep the firearm pointed in a safe direction when loading or unloading.
- Engage the safety mechanism of the firearm when not in use.
- Regularly clean and maintain the magazine extension and firearm to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- If the product is damaged or no longer usable, take it to a designated waste disposal facility.
- Do not dispose of this product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage, please refer to the manufacturer's website or contact their customer service for assistance. Ensure that you have your product details ready for a more efficient response.

By following these safety instructions, you can enjoy the benefits of the MXT Complete Extension Package for Beretta 1301/A300 Tactical while ensuring safe and responsible usage. Thank you for your attention to safety!
