# Safety Instruction Guide for STANDARD DOT TRITIUM SIGHTS FOR RUGER® XS SIGHT SYSTEMS

## Introduction

Thank you for choosing the STANDARD DOT TRITIUM SIGHTS for your Ruger® LCR firearm. This guide provides essential safety information to ensure the safe use and installation of your new sights. Please read this guide carefully to understand the necessary precautions and instructions.

## General Safety Guidelines

- Ensure that all firearm modifications comply with local laws and regulations.
- Always treat every firearm as if it is loaded.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of wear or damage.
- Do not attempt to modify or disassemble the sights beyond the installation instructions provided.
- Use only authorized replacement parts and accessories to maintain safety and performance.
- Keep this guide accessible for future reference.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Ensure that your firearm is pointed in a safe direction when installing or adjusting sights.
- Verify that your firearm is unloaded before beginning installation.
- Avoid using the sights in conditions that may impair your ability to see clearly, such as extreme darkness or fog.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm.
- Do not engage in shooting activities if you are under the influence of alcohol or drugs.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sights:** If applicable, carefully remove the existing front sight using the appropriate tools.
3. **Clean the Sight Base:** Clean the area where the new sight will be installed to ensure a proper fit.
4. **Install New Sight:**
  - Align the new Tritium sight with the sight base.
  - Gently press or tap the sight into place, ensuring it is secure.
5. **Check Alignment:** Ensure the sight is properly aligned for accurate aiming.
6. **Gunsmith Installation:** It is recommended to have a qualified gunsmith perform the installation for optimal safety and performance.

### Usage Instructions

- Once installed, familiarize yourself with the sighting system before using the firearm in a live shooting environment.
- Practice aiming with the new sights in a controlled setting to ensure proper sight acquisition.
- Regularly check the sights for any movement or damage during routine firearm maintenance.

### Disposal Instructions

- Dispose of any old sights or parts in accordance with local regulations.

- Do not dispose of sights in regular household waste; check for local hazardous waste disposal options if applicable.

## **Contact Information for Further Support**

For any inquiries or support regarding your STANDARD DOT TRITIUM SIGHTS, please refer to the manufacturer's website or contact your local authorized dealer.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your STANDARD DOT TRITIUM SIGHTS. Thank you for your attention to safety and responsible firearm handling.
