

# ULTIMATE BUILDER S KIT FOR GLOCK GEN 5 - TIMNEY ULTIMATE BUILDER'S KIT FOR GLOCK GEN 5

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

ULTIMATE BUILDER'S KIT FOR GLOCK GEN 5 Starting with Timney's Alpha Competition trigger platform, the Ultimate Builder's Kit (UBK) for the Glock Gen 5 also includes a striker, striker spring, and connector. The striker and connector are both made from stainless steel and heat treated for long lasting durability. The Timney striker was engineered to match the geometry of the Alpha Competition sear. All Ultimate Builder's Kit parts are NP3 coated for increased lubricity, which creates a smoother feel. With a factory set pull weight of 2.5 to 3 pounds, the Timney Alpha Competition UBK trigger kit answers the call for a trigger that maintains the feel of a Timney Trigger all while upholding the dependability of the Glock system. Through an improved trigger design, Timney has created an upgraded trigger that retains the reliability of the Glock while offering a lighter pull weight and a smoother feel from the UBK. SPECIFICATIONS: COMPATIBLE WITH: Medium frame, double stack Gen 5 PULL WEIGHT: 2.5 - 3lbs. STRIKER: Stainless steel with NP3 coating CONNECTOR: Stainless steel with NP3 coating SAFETY PLUNGER: Tool steel with NP3 coating TRIGGER ASSEMBLY: Alpha Competition Gen 5 trigger

# ULTIMATE BUILDER'S KIT FOR GLOCK GEN 5

## Safety Instructions

### Introduction

Thank you for choosing the ULTIMATE BUILDER'S KIT FOR GLOCK GEN 5. This guide provides essential safety information and instructions for the proper use and handling of the product. Please read this manual thoroughly before use to ensure safe operation and to maximize the performance of your kit.

### General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure that the firearm is unloaded and pointed in a safe direction before installation or modification.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Keep the kit and all components out of reach of children and unauthorized users.
- Regularly inspect the kit for wear or damage before use.
- If you are unsure about any aspect of the installation or use, seek assistance from a qualified gunsmith.

### Specific Safety Precautions for Use

- **Compatibility:** Ensure that the ULTIMATE BUILDER'S KIT is compatible with your specific Glock Gen 5 model.
- **Installation:** Follow installation instructions carefully to avoid improper assembly that could lead to malfunction.
- **Pull Weight:** Be aware that the factory set pull weight is between 2.5 to 3 pounds. Familiarize yourself with the trigger pull before using the firearm in a live environment.
- **Maintenance:** Regularly clean and maintain the components to ensure optimal performance and safety.
- **Testing:** After installation, conduct a thorough function test of the firearm to ensure all components are working correctly.
- **Safety Gear:** Always wear appropriate safety gear, including eye and ear protection, when testing or using your firearm.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure you have the necessary tools for installation.
- Work in a clean, welllit environment to avoid losing small parts.

#### 2. Installation Steps:

- Unload the firearm and remove the magazine.
- Disassemble the firearm according to the manufacturer's instructions.
- Replace the factory trigger with the Alpha Competition trigger from the kit.
- Install the striker and connector, ensuring they are properly aligned.
- Reassemble the firearm, making sure all parts are correctly installed.

#### 3. Testing:

- After installation, conduct a function check:
  - Ensure the trigger operates smoothly.
  - Check that the striker and connector engage properly.
  - Test the safety features to ensure they are functioning as intended.

#### **4. Usage:**

- Familiarize yourself with the new trigger pull weight in a safe environment.
- Always follow safe shooting practices and handle your firearm responsibly.

## **Disposal Instructions**

- Dispose of any unused or damaged components according to local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ULTIMATE BUILDER'S KIT FOR GLOCK GEN 5, please refer to the manufacturer's official website or contact their support team for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your ULTIMATE BUILDER'S KIT FOR GLOCK GEN 5. Always prioritize safety and responsible firearm handling.
