

# DAKA BINS 3-PACK-ONE 2x4 AND TWO 2x2 - MAGPUL DAKA BINS 3-PACK ONE 2X4 AND TWO 2X2 BLACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

DAKA Bins are designed to nest within DAKA GRID Organizer Panels to keep loose parts, gear, ammo, and other items secure inside Magpul DAKA Hard Cases or any case outfitted with the DAKA GRID Organizer. The DAKA Bins come in two sizes to provide flexibility in storage, with a 2x4 Bin and two 2x2 Bins, with each peg on the underside of the Bin locking securely into the GRID Panels. DAKA Bins are made with transparent lids for easy contents identification, and the reinforced lid snap tabs lock securely with the Bin side tabs to keep the Bins closed. For further organization, paint-pen dot matrix panels on the lids give users additional identification capability for GRID organization. Aside from the durable lids, the DAKA Bins themselves are made from sturdy polypropylene and designed for rugged use with 0.1" thick walls to protect whatever is placed inside. The DAKA Bins come in Black, FDE, and Red, so the DAKA Bins' colors can also be used as coding for those who may need quick visual confirmation of the contents. We also made our DAKA Bins so they're equally at home outside of the DAKA GRID Organizer on your workbench or wherever you use them. Each pack comes with one (1) 2X4 Bin and two (2) 2X2 Bins. Reinforced lid snap tabs lock on Bin body to secure parts, tools, and other small items Nests into DAKA GRID Base Panels. Transparent lid for easy content identification and organization. Stackable and functional outside of the DAKA GRID Organizer. Made from durable, chemical-resistant polypropylene material. COMPATIBILITY DAKA GRID Organizer Base. Three (3) DAKA Bins/qty, ships with two (2) 2X2 DAKA Bin and one (1) 2X4 DAKA Bin.

# DAKA BINS 3PACK Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA BINS 3PACK. These bins are designed to provide a secure and organized solution for storing various items, including gear, ammo, and small parts. This guide provides important safety instructions to ensure the safe use of the DAKA BINS in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the DAKA BINS as intended to avoid potential hazards.
- Inspect the bins regularly for any signs of damage or wear. Do not use damaged bins.
- Keep the DAKA BINS out of reach of children to prevent accidents.
- Ensure that the bins are placed on a stable surface to avoid tipping over.
- Avoid overloading the bins beyond their capacity to prevent breakage or injury.
- Store the bins in a cool, dry place away from direct sunlight and extreme temperatures.
- Report any unsafe conditions or incidents involving the DAKA BINS to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The bins are made from durable polypropylene, but sharp edges may be present. Handle with care.
  - Ensure that lids are securely closed to prevent contents from spilling out.
- **Avoiding Hazards:**
  - Do not use the DAKA BINS for storing food or perishable items.
  - Keep the bins away from corrosive substances that may damage the material.
  - Do not stack bins beyond the recommended height to maintain stability.
- **Age Specific Warnings:**
  - This product is not intended for children under the age of 12 without adult supervision.
  - Use caution when allowing children to handle the bins, as small parts may pose a choking hazard.

## Instructions for Installation and Usage

- **Installation:**
  - Place the DAKA BINS within the DAKA GRID Organizer Panels for optimal use.
  - Ensure that each peg on the underside of the bin locks securely into the GRID Panels.
- **Usage:**
  - Use the transparent lids for easy identification of contents.
  - Utilize the paintpen dot matrix panels on the lids for additional labeling and organization.
  - Stack the bins as needed, ensuring they are stable and secure.
  - For outdoor use, ensure that the bins are protected from harsh weather conditions.

## Disposal Instructions

- Dispose of the DAKA BINS in accordance with local regulations for plastic waste.
- Do not incinerate the bins as this may release harmful substances.
- If the bins are no longer usable, consider recycling them if facilities are available in your area.

## Contact Information for Further Support

For any safety inquiries or support related to the DAKA BINS, please refer to the manufacturer's contact information provided with your purchase.

Thank you for following these safety instructions. Your attention to safety helps ensure a secure and enjoyable experience with the DAKA BINS.
