

# EXOMAG 9MM LUGER RIFLE MAGAZINE - MEAN ARMS EXOMAG 9MM LUGER 10 ROUND EJECTORLESS BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The MEAN ExoMag is designed to be the most reliable and best feeding 9mm magazine for use with a standard AR lower. The ExoMag has a STANAG magazine outer shape. Add the 9mm upper of your choosing to function with a Glock or Colt variant 9mm BCG. Mean offers both a version with an EJECTOR (for standard blowback bolts) and an EJECTORLESS version (for our Bearing Delay and CMMG Radial Delay systems). All ExoMag models include the last round bolt-hold open feature, as any AR-15 should. Bearing Delay Upper owners: Customers with the Bearing Delay system should select the "Ejectorless" option in the "ExoMag Package Selection" option above. CMMG Radial Delay owners: If you have a CMMG Radial Delay firearm, select the "Ejectorless" option in the "ExoMag Package Selection" option above. ExoMag features: Facilitates quick and easy caliber change from .223/5.56 to 9mm Functions as a magazine! No magwell adapter needed! Keep your standard 5.56 Multi Caliber lower receiver! Comes fully assembled. No tools required. Build and maintain your muscle-memory for reloads and other training from your 5.56 firearms! Same STANAG magazine, same draw, same feel. No learning curve when reloading because it is the same magazine you already use! Use most of your STANAG mag accessories: i.e. mag pouches, storage racks, decals, caliber indicators, etc. Not a picky eater. Shoots all 9mm ammo - hollow points included. It is exclusively the customer's responsibility to be aware of all applicable laws and regulations regarding the purchase and ownership of magazines and the capacities thereof. Customers residing in states with intrusive laws who purchase standard capacity magazines may have their order canceled without warning. Key Specs: No modifications to your 5.56x45 lower receiver! Changing calibers is now simply a complete 9mm upper for your AR platform. No nuts, no bolts, no drilling, no bull. Last round bolt-hold open feature, just as an AR-15 should function. Specially formulated polymer.

# EXOMAG 9MM LUGER RIFLE MAGAZINE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the EXOMAG 9MM LUGER RIFLE MAGAZINE by MEAN ARMS. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your magazine. Please read this manual carefully before use to understand the safety precautions and operational procedures.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store magazines and ammunition in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with the laws and regulations regarding the purchase and ownership of magazines in your area.
- Inspect the magazine regularly for any signs of damage or wear.
- Use only compatible components as specified in this manual to avoid malfunctions.
- Always wear appropriate eye and ear protection when using firearms.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure the magazine is properly seated in the firearm before attempting to fire.
- Do not attempt to modify or disassemble the magazine.
- Avoid using the magazine with incompatible firearms or ammunition types.
- Be cautious of the last round bolthold open feature; ensure the firearm is pointed in a safe direction when loading or unloading.
- If you experience a malfunction, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until you hear a click, indicating it is securely locked.

### 2. Loading the Magazine:

- Hold the magazine with the opening facing up.
- Insert 9mm cartridges into the magazine, ensuring they are seated properly.
- Do not exceed the magazine's capacity of 10 rounds.

### 3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Ensure the firearm is aimed in a safe direction before chambering a round.
- Follow standard operating procedures for your specific firearm when firing.

### 4. Unloading the Magazine:

- Engage the safety of the firearm.
- Remove the magazine from the firearm by pressing the magazine release.

- Empty any remaining rounds from the magazine by pressing down on the follower.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding firearms and ammunition.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, contact the manufacturer for proper disposal instructions.

## **Contact Information for Further Support**

For any questions or concerns regarding the EXOMAG 9MM LUGER RIFLE MAGAZINE, please refer to the manufacturer's website or contact their customer support team for assistance.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your experience with the EXOMAG 9MM LUGER RIFLE MAGAZINE responsibly.
