

DAKA® GRID ORGANIZER FOR PLANO™! ALL WEATHER 2"! 52 IN. - DAKA GRID ORGANIZER FOR PLANO ALL WEATHER 2 52"

Magpul's DAKA GRID Organizer is a fully customizable drop-in organizational solution that secures and protects your important equipment when it's stored or transported in your existing hard case. Specifically designed to fit Plano™ 52" All Weather 2™ and Rustriector™ gun cases, the GRID Organizer is completely reconfigurable to meet your storage needs. Individual Expanded Polypropylene (EPP) Panels and Blocks nest together securely to maximize protection, versatility, and ease-of-use. They can be organized to brace and immobilize rifles, optics, ammunition, accessories, and other gear, and they can be quickly removed and reinstalled for your next loadout. The lightweight GRID system uses compression to immobilize and compartmentalize your gear, firmly holding it in place and providing advanced protection during transport. The result is less movement and better impact resistance for your gear than you'll get from current open cell foam options that can let your gear slide around inside your case during transport. Also, the GRID's EPP make up doesn't absorb contaminants like open cell foam does, providing resistance to liquid and chemical intrusion and mitigating contamination of your gear. Cleaning up dirt, chemicals, and liquids is easy with just a damp cloth. Offering numerous advantages over traditional foam and expensive laser-cut inserts, the GRID provides intuitive, modular organization at your fingertips. It's reconfigurable without tools, so it can be adapted to your loadout in seconds. If you're carrying wider or taller equipment, a center GRID Panel can also be removed to open up space for objects approximately 4.25" inches wide. If you end up needing to cut a Panel to create a unique cavity for wider gear, the EPP cuts smoothly and doesn't lose its strength or ability to protect your important equipment. For unique equipment loading techniques, see Magpul's Getting The Best Fit video and others in the Resources tab. Simple to configure, stronger than foam, and versatile enough to change with every loadout, the DAKA GRID Organizer lets you use every inch of your case to store and securely carry your gear the way you want. Includes GRID base Panels, eight triple Blocks, eight double Blocks, and replacement base foam. EASILY ADDED TO POPULAR PLANO 52" AW2 AND RUSTRICTOR CASES EPP Panels and Blocks quickly replace current internal setup GRID system holds your gear securely and protects better than foam sheets Not just for firearms; can be used for all types of gear LIGHTWEIGHT AND EASY TO USE EPP construction is lighter and stronger than traditional foam Endlessly customizable and no tools required Unique gear loadouts set up in seconds BETTER PROTECTION THAN YOUR OLD FOAM GRID is stronger than open cell foam, holds your gear in place, and protects better from impacts Resists absorbing liquids and chemicals and easy to clean with a damp cloth Good temperature stability VERSATILE AND ENDLESSLY CUSTOMIZABLE GRID Block arrangement lets you maximize the use of all of your space Ability to reconfigure the GRID means no cutting or plucking of foam that leaves you with one fixed configuration

Sicherheitshinweise für den DAKA GRID Organizer von Magpul

Einführung

Herzlichen Glückwunsch zum Kauf des DAKA GRID Organizers von Magpul! Dieser Organizer wurde entwickelt, um deine Ausrüstung sicher und ordentlich in deinem Plano™ 52" All Weather 2™ und Rustrictor™ Gewehrkofter zu lagern. Bitte lese die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Nutzung des Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass der DAKA GRID Organizer nur für den vorgesehenen Zweck verwendet wird.
- Überprüfe regelmäßig den Zustand des Organizers auf Risse oder Beschädigungen.
- Halte den Organizer von Kindern und Haustieren fern, um versehentliche Verletzungen zu vermeiden.
- Verwende den Organizer nur mit kompatiblen Koffern, um optimale Sicherheit und Funktionalität zu gewährleisten.
- Informiere dich über Rückrufaktionen oder Sicherheitswarnungen über die EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Achte darauf, dass alle Teile des Organizers sicher und fest montiert sind, bevor du ihn verwendest.
- Vermeide übermäßigen Druck auf die EPP-Paneele, um Beschädigungen zu verhindern.
- Wenn du den Organizer umkonfigurierst, achte darauf, dass keine scharfen Kanten oder Teile hervorstehen, die Verletzungen verursachen könnten.
- Bei der Verwendung des Organizers für schwere oder sperrige Ausrüstungsgegenstände, stelle sicher, dass die Last gleichmäßig verteilt ist.

Anweisungen für Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass dein Plano™ 52" All Weather 2™ oder Rustrictor™ Gewehrkofter sauber und trocken ist.
- Überprüfe, ob alle Teile des DAKA GRID Organizers vorhanden sind.

2. Installation:

- Platziere die GRID-Basispaneele im Koffer entsprechend deinen Anforderungen.
- Füge die dreifachen und doppelten Blöcke hinzu, um eine individuelle Anordnung zu schaffen.
- Stelle sicher, dass alle Paneele und Blöcke sicher ineinander greifen.

3. Nutzung:

- Organisiere deine Ausrüstung, indem du Gewehre, Optiken, Munition und Zubehör in den vorgesehenen Bereichen platzierst.
- Achte darauf, dass die Ausrüstung stabil und sicher im Organizer sitzt.
- Bei Bedarf kannst du die Anordnung der Blöcke jederzeit ändern, um deinen Bedürfnissen gerecht zu werden.

4. Entfernung und Anpassung:

- Um ein zentrales GRID-Paneel zu entfernen, ziehe es vorsichtig heraus.
- Bei Bedarf kannst du EPP-Paneele zuschneiden, um Platz für größere Ausrüstungsgegenstände zu schaffen. Stelle sicher, dass du dies sorgfältig machst, um die Struktur nicht zu schwächen.

Entsorgungsanweisungen

- Entsorge den DAKA GRID Organizer und seine Teile gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- EPPMaterialien können in der Regel über den Recyclingprozess entsorgt werden. Bitte erkundige dich bei deiner örtlichen Recyclingstelle nach spezifischen Anweisungen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu deinem DAKA GRID Organizer von Magpul, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Bitte beachte, dass die Sicherheit deiner Ausrüstung und die sichere Nutzung des DAKA GRID Organizers von Magpul von größter Bedeutung sind. Halte dich an diese Anweisungen, um ein sicheres und effizientes Nutzungserlebnis zu gewährleisten.

DAKA GRID ORGANIZER FOR PLANO Safety

Instruction Guide

Introduction

Thank you for choosing the DAKA GRID Organizer for Plano. This guide provides important safety instructions to ensure the safe use and maintenance of your product. The DAKA GRID Organizer is designed to help you securely store and transport your equipment. Please read this guide carefully before using the product.

General Safety Guidelines

- Always inspect the DAKA GRID Organizer before use to ensure it is in good condition.
- Ensure that the product is used only for its intended purpose, which is to organize and secure equipment in Plano gun cases.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of the weight of the items being stored. Do not exceed the weight limits of the organizer or the case it is used with.
- Regularly check for any signs of wear or damage, and replace components as necessary to maintain safety and effectiveness.
- In case of an emergency, such as an accident or injury, seek medical assistance immediately.

Specific Safety Precautions for Use

- Ensure that all items stored within the DAKA GRID Organizer are properly secured to prevent shifting during transport.
- Avoid storing items that are excessively heavy or sharp, as they may compromise the integrity of the organizer or pose a risk of injury.
- When reconfiguring the EPP Panels and Blocks, ensure they are securely nested to prevent accidental dislodging.
- Do not cut or modify the EPP Panels in a way that could compromise their structural integrity unless following specific instructions provided by the manufacturer.
- When cleaning the organizer, use only a damp cloth; do not use harsh chemicals or abrasive materials that could damage the EPP material.
- Ensure that the organizer is properly placed within your Plano case before closing and securing the case.

Instructions for Installation and Usage

1. Unpacking the Product:

- Carefully remove the DAKA GRID Organizer components from the packaging.
- Check all components against the included list to ensure nothing is missing.

2. Setting Up the Organizer:

- Identify the layout that best suits your storage needs.
- Begin by placing the GRID base Panels into your Plano case.
- Insert the triple Blocks and double Blocks into the desired configuration, ensuring they are securely nested.

3. Securing Your Gear:

- Place your equipment onto the organizer, ensuring that items are braced and immobilized.
- Adjust the arrangement of the Panels and Blocks as needed to accommodate different shapes and sizes of gear.

4. Transporting Your Gear:

- Once your gear is securely organized, close the Plano case and ensure it is properly locked.
- Handle the case with care, keeping it upright whenever possible.

5. Reconfiguring the Organizer:

- If you need to change the layout, simply remove the Blocks and Panels as necessary.
- Rearrange them according to your new requirements, ensuring they are securely nested again.

Disposal Instructions

- The DAKA GRID Organizer is made from EPP material, which is recyclable.
- When disposing of the product, check local regulations for recycling and disposal guidelines.
- Ensure that all components are disposed of in an environmentally responsible manner.
