# Safety Instruction Guide for LOWER PARTS KIT FOR AR15

## Introduction

Thank you for choosing the LOWER PARTS KIT FOR AR15 from KAK Industry LLC. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this manual carefully before use.

## General Safety Guidelines

- Always handle firearms and firearm parts with care and respect.
- Ensure that all components are compatible with your firearm model.
- Follow all local laws and regulations regarding firearm assembly and use.
- Keep all parts and tools out of reach of children and unauthorized users.
- Regularly inspect components for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to malfunction or injury.
  - Use of incompatible parts may result in firearm failure.
- **Avoiding Hazards:**
  - Always wear safety glasses when handling parts.
  - Ensure that the firearm is unloaded before beginning any assembly or installation.
  - Do not modify parts beyond manufacturer specifications.
  - Keep fingers away from the trigger and action when assembling.
- **Audience Specific Warnings:**
  - This kit is intended for use by individuals with knowledge of firearm assembly.
  - Do not allow children or inexperienced individuals to handle this kit without supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components.
- Ensure a clean, welllit workspace.
- Read through all instructions before starting the assembly.

### 2. Installation Steps:

- **Complete Kit:**
  - Install the A2 pistol grip according to the manufacturer's instructions.
  - Attach the billet trigger guard securely.
  - Install the fire control group, ensuring all components are properly seated.
  - Install the bolt catch and magazine release.
  - Insert all springs, detents, and pins in their designated locations.
- **Kit Without Trigger Guard or Grip:**
  - Follow the same steps as above, omitting the grip and trigger guard installation.
  - Pair with your chosen grip and trigger guard to complete the assembly.
- **Kit Without Fire Control Group:**
  - Follow the complete kit instructions, excluding the installation of the fire control group

components.

- Pair with your chosen trigger pack for full functionality.

### 3. **Final Checks:**

- Ensure all parts are securely installed and functioning correctly.
- Conduct a function check on the assembled lower receiver to verify proper operation.

## **Disposal Instructions**

- Dispose of any unused parts or packaging materials in accordance with local regulations.
- Do not dispose of parts in regular household waste if they are considered hazardous.
- Contact local waste disposal services for proper disposal methods of firearm components.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your LOWER PARTS KIT FOR AR15, please reach out to the designated EU contact point or consult the manufacturer's website for further assistance.

Thank you for prioritizing safety while using your LOWER PARTS KIT FOR AR15. Enjoy your experience responsibly.
