# AR10 Carbine Pistol Buffers Safety Instruction Guide

## Introduction

Thank you for choosing the AR10 Carbine Length H2 Buffer from KAK Industry LLC. This product is designed for reliable use in your AR10 carbine system. Please read this safety instruction guide carefully to ensure safe installation and operation.

## General Safety Guidelines

- Ensure that the buffer is compatible with your AR10 carbine system.
- Always handle firearms and their components with care and follow established safety practices.
- Store the buffer in a cool, dry place away from direct sunlight and moisture.
- Keep the buffer out of reach of children and unauthorized individuals.
- Regularly inspect the buffer for signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Potential Hazards

- Improper installation may lead to malfunction or injury.
- Misuse of the buffer can cause damage to the firearm or personal injury.

### • Instructions for Avoiding Hazards

- Only use the buffer with the specified AR10 carbine buffer spring.
- Ensure the firearm is unloaded before installing or removing the buffer.
- Follow all manufacturer guidelines when handling and operating your firearm.

### • Warnings

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- If you are inexperienced with firearm modifications, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools for installation, such as a wrench and a screwdriver.
- Make sure the firearm is completely unloaded.

### 2. Installation Steps

- Remove the existing buffer from your AR10 carbine.
- Align the new KAK Industry AR10 buffer with the buffer tube.
- Insert the buffer into the buffer tube until it is seated securely.
- Reattach the buffer retaining pin to hold the buffer in place.

### 3. Usage

- After installation, check the buffer's movement to ensure it operates smoothly.

- Test the firearm in a safe and controlled environment to confirm proper function.

## **Disposal Instructions**

- Dispose of the buffer in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the buffer in regular household trash.
- Consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the AR10 Carbine Length H2 Buffer, please reach out to the designated EUbased contact point provided with your product documentation.

By following these safety instructions, you can ensure a safe and effective experience with your AR10 Carbine Length H2 Buffer. Thank you for your attention to safety.
