# Safety Instruction Guide for AR15 Rifle & A5Length Buffer

## Introduction

Thank you for choosing the AR15 Rifle and A5Length Buffer from KAK Industry LLC. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure your product operates safely and effectively. Please read this manual thoroughly before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm use and ownership.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you suspect any defect or malfunction, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle the AR15 Rifle as if it is loaded, even when it is not.
- Use only A5length buffer tubes and riflelength buffer springs with this buffer to avoid compatibility issues.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm.
- Never point the firearm at anything you do not intend to shoot.
- Ensure a safe and clear environment when firing the weapon.
- Do not modify the buffer or any part of the firearm without consulting a professional gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Gather Necessary Tools:** Ensure you have the necessary tools for installation, such as a wrench and screwdriver.
2. **Safety Check:** Before starting, ensure the firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Buffer:**
  - Disassemble the rifle as per the manufacturer's instructions.
  - Carefully remove the existing buffer and spring from the buffer tube.
4. **Install A5Length Buffer:**
  - Insert the KAK Industry A5Length Buffer into the buffer tube.
  - Ensure it is seated properly and securely.
5. **Reassemble the Rifle:**
  - Follow the manufacturer's assembly instructions to reassemble the rifle.
  - Doublecheck that all components are secured and functioning correctly.

### Usage

- Before using the rifle, conduct a thorough safety check to ensure all components are functioning.
- Practice safe handling and shooting practices at all times.
- After use, clean and maintain the product according to the manufacturer's guidelines.

## **Disposal Instructions**

- Dispose of the buffer and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options or contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the AR15 Rifle and A5Length Buffer, please consult the manufacturer or your local authorized dealer for assistance.
