# Safety Instruction Guide for AR15 Rifle & A5Length Buffer

## Introduction

Thank you for choosing the AR15 Rifle and A5Length Buffer from KAK Industry LLC. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read all sections carefully before using the rifle and buffer.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's guidelines.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely when not in use, out of reach of children and unauthorized users.
- Regularly inspect the rifle and buffer for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Use only compatible accessories and components as specified by the manufacturer.

## Specific Safety Precautions for Use

- Only use the AR15 A5Length H1 Buffer with A5length buffer tubes and riflelength AR15 buffer springs.
- Do not exceed the recommended weight for the buffer, as this may affect the performance and safety of the firearm.
- Keep fingers away from the trigger until ready to shoot.
- Avoid using the firearm under the influence of alcohol or drugs.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when shooting.
- Be mindful of the potential for ricochets and ensure a proper backstop is in place.

## Instructions for Installation and Usage

### 1. Installation of the A5Length Buffer:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer and buffer spring from the buffer tube.
- Insert the A5Length H1 Buffer into the buffer tube.
- Install the appropriate riflelength buffer spring.
- Ensure all components are securely in place before proceeding.

### 2. Usage of the AR15 Rifle:

- Load the firearm with the appropriate ammunition.
- Ensure the safety is engaged until ready to fire.
- Aim at the intended target and ensure a clear line of sight.
- Disengage the safety and squeeze the trigger gently to fire.
- After firing, engage the safety and inspect the firearm.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the product in regular household waste.

- Contact your local waste disposal authority for guidance on proper disposal methods for firearms and related components.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the product, please contact the manufacturer or refer to the EU Safety Gate platform for updates on recalls and safety information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 Rifle and A5Length Buffer. Always prioritize safety and stay informed about best practices for firearm handling and usage.
