Safety Instruction Guide for AR15 Rifle & A5Length Buffer

Introduction

Thank you for choosing the AR15 Rifle and A5Length Buffer by KAK Industry LLC. This guide provides essential safety information to ensure the safe use of your product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of the AR15 rifle and its components before use.
- Always handle firearms with care, treating every weapon as if it is loaded.
- Store the buffer and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the buffer and rifle for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Only use the A5Length Buffer with A5length buffer tubes and riflength AR15 buffer springs.
- Do not modify the buffer or its components, as this may lead to malfunction or unsafe operation.
- Ensure that the buffer is properly installed before using the rifle.
- Keep your finger off the trigger until you are ready to shoot.
- Always wear appropriate eye and ear protection when operating the rifle.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before installing the buffer, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Buffer:**
 - Disassemble the rifle according to the manufacturer's instructions.
 - Carefully remove the existing buffer from the buffer tube.
3. **Install the A5Length Buffer:**
 - Insert the A5Length Buffer into the buffer tube.
 - Ensure it is seated properly and securely.
4. **Reassemble the Rifle:** Follow the manufacturer's instructions to reassemble the rifle.

Usage

- After installation, perform a function check to ensure the buffer is working correctly.
- Follow standard operating procedures for your AR15 rifle when shooting.
- Regularly check the buffer for any signs of wear or damage during routine maintenance.

Disposal Instructions

- Dispose of any damaged or wornout buffers in accordance with local regulations.
- Do not dispose of the buffer in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's website or customer service channels provided at the time of purchase.
