iDOT Tritium Sight Set Safety Instructions

Introduction

Thank you for choosing the iDOT Tritium Sight Set for FN High Power. This product is designed to enhance your shooting experience by providing quick and accurate sight alignment. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms and related accessories responsibly.
- Ensure that the product is installed correctly before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your sights for any signs of damage or wear.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm use and accessories.

Specific Safety Precautions for Use

- Ensure that the iDOT sights are compatible with your FN High Power model.
- Use the product only for its intended purpose as a sighting accessory.
- Avoid exposing the sights to extreme temperatures or harsh chemicals.
- Do not attempt to modify or disassemble the sights.
- If you experience any issues with the sights, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your FN High Power according to the manufacturer's instructions.
- Align the new iDOT sights with the sight dovetail on the firearm.
- Secure the sights in place using the appropriate tools, ensuring they are tightly fitted.
- Verify that the sights are properly aligned before proceeding to use.

2. Usage:

- Familiarize yourself with the sight picture provided by the iDOT sights.
- Practice shooting in a controlled environment to adjust to the new sighting system.
- Regularly check the alignment and condition of the sights before each use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the sights in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the iDOT Tritium Sight Set, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details on hand for a quicker resolution.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the iDOT Tritium

Sight Set!
