# Safety Instruction Guide for AMERIGLO Range Sight Set for Glock

## Introduction

Thank you for choosing the AMERIGLO Range Sight Set for your Glock firearm. This guide provides important safety information and instructions to ensure the safe and effective use of your new sight set. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is suitable for your specific Glock model (Gen 14 9mm/.40/.380, Gen 5 10mm/.45).
- Always handle firearms with care and follow all safety protocols.
- Store the sight set in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the sight set.
- Avoid using the sight set in adverse weather conditions, such as heavy rain or extreme temperatures.
- Do not modify the sight set in any way, as this may compromise its safety and effectiveness.
- When aiming, ensure that your line of sight is clear and free from obstructions.
- Be aware of your surroundings and ensure a safe backdrop when using your firearm.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the firearm manufacturer.
2. **Unload Firearm:** Confirm that your Glock is completely unloaded.
3. **Remove Old Sights:** If applicable, carefully remove the existing sights from your Glock using the appropriate tools.
4. **Install Front Sight:**
  - Align the AMERIGLO front sight blade with the designated slot on the slide.
  - Secure it in place according to the manufacturer's specifications.
5. **Install Rear Sight:**
  - Position the rear sight in the designated slot on the slide.
  - Ensure it is aligned properly for optimal accuracy.
6. **Secure Sights:** Tighten all screws and fasteners to ensure the sights are securely attached.
7. **Check Alignment:** After installation, check the alignment of the sights to ensure they are straight and properly positioned.

### Usage Instructions

- Familiarize yourself with the sight set before taking it to the range.
- Practice aiming and shooting in a controlled environment.
- Adjust your shooting technique as needed to accommodate the new sight set.
- Regularly clean and maintain the sight set to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the sight set in accordance with local regulations for nonhazardous materials.
- If the sight set is damaged or no longer in use, consider recycling components where possible.

## **Contact Information for Further Support**

For any questions or additional support regarding the AMERIGLO Range Sight Set, please refer to the manufacturer's website or contact their customer service. Always keep this guide for future reference.
