

# PROTECTOR SIGHT SET FOR GLOCK® 42,43,43X,48 - AMERIGLO PROTECTOR SIGHT SET TRITIUM FOR GLOCK 42,43,43X,48 BLACK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

AMERIGLO® Protector Sights are designed for quicker front sight acquisition and concentration on the front sight blade. The black, serrated rear sight reduces glare and offers assistance in one-hand slide manipulations, while the front sight offers a tritium illumination and a ProGlo outline in LumiGreen or orange for an enhanced aim point. Ideal for any conceal carry or personal defense weapon. Fits: Glock® 42, 43, 43X, 48 SPECS Fits Model: 42,43,43X, 48 Fits MOS Slide: Yes Front Sight Style: Tritium Front Sight Finish: Case Hardened Front Tritium Color: Green Front Outline Color: Orange Front Blade Width: 0.140 in. # Safety Instruction Guide for AMERIGLO Protector Sight Set for Glock® 42, 43, 43X, 48

## Introduction

Thank you for choosing the AMERIGLO Protector Sight Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sight set. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is compatible with your Glock® model (42, 43, 43X, 48) before installation.
- Always handle firearms and accessories with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the sight set.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Always ensure your firearm is unloaded before installing the sight set.
- **Visibility:** The tritium illumination provides lowlight visibility. Be cautious when transitioning from dark to light environments.
- **Handling:** Avoid touching the front sight blade unnecessarily to maintain its integrity and functionality.
- **Shooting Practice:** Practice using your sights in a safe environment to become familiar with their functionality and alignment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your Glock® is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool and a hammer.

### 2. Removing the Old Sights:

- Use the punch tool to carefully tap the old rear sight out of its dovetail slot.
- Repeat the process for the front sight, ensuring not to damage the slide.

### 3. Installing the New Sights:

- Position the new rear sight in the dovetail slot and gently tap it into place with the punch tool.
- Align the front sight and tap it into the front dovetail slot until secure.

### 4. Final Check:

- Ensure both sights are securely installed and aligned correctly.
- Perform a function check to ensure the firearm operates safely.

### 5. Usage:

- When aiming, focus on the front sight blade for improved accuracy.
- Utilize the serrated rear sight to minimize glare during shooting.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the sight set in regular household waste.
- If the product is damaged or no longer usable, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AMERIGLO Protector Sight Set, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure the safe and effective use of your AMERIGLO Protector Sight Set. Thank you for prioritizing safety and responsible firearm handling.
