Safety Instruction Guide for AMERIGLO® Protector Sight Set for Glock®

Introduction

Thank you for choosing the AMERIGLO® Protector Sight Set designed for Glock® models. This guide provides essential safety instructions and information to ensure safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly check the sight for any signs of wear or damage.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Only install the sight on compatible Glock® models (Gen 14 9mm/.40/.380, Gen 5 10mm/.45).
- Ensure the firearm is unloaded before installation.
- Use appropriate tools to avoid damaging the sight or firearm.

• Operational Precautions:

- Practice safe firearm handling at all times.
- Ensure proper sight alignment before aiming.
- Do not rely solely on the sight for target acquisition; always maintain situational awareness.

• Maintenance Precautions:

- Clean the sight regularly to maintain visibility.
- Inspect the tritium illumination for functionality; replace if dim or nonfunctional.
- Store the firearm in a secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing sights using appropriate tools (e.g., sight pusher).
- Align the AMERIGLO® Protector Sight on the slide.
- Secure the sight using the manufacturer-recommended method.
- Confirm that the sight is tightly secured before use.

2. Usage:

- Aim your firearm while ensuring the front sight is clearly visible.
- Use the tritium illumination in lowlight conditions for better visibility.
- Adjust your grip and stance to optimize sight alignment and accuracy.

3. Testing:

- After installation, conduct a function test to ensure the sight is properly aligned.
- Practice aiming and firing in a controlled environment to familiarize yourself with the sight.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the sight is damaged or no longer functional, do not attempt to repair it; dispose of it safely.
- Consider recycling options available for metal and plastic components.

Contact Information for Further Support

For additional support and inquiries regarding safety and product information, please refer to the manufacturer's website or contact their customer service. Ensure you have your product details ready for assistance.

By following these guidelines, you can ensure safe and effective use of your AMERIGLO® Protector Sight Set. Thank you for prioritizing safety, and enjoy your enhanced shooting experience.
