Safety Instruction Guide for OPTIC COMPATIBLE TRITIUM SIGHT SET FOR SIG SAUER®

Introduction

Thank you for choosing the AMERIGLO® Optic Compatible Tritium Sight Set for your SIG Sauer® firearm. This guide provides essential safety instructions to ensure the proper use and installation of your sight set. Please read this manual carefully before use to ensure safe and effective operation.

General Safety Guidelines

- Ensure the sight set is compatible with your specific model of SIG Sauer® firearm.
- Always handle firearms with care and follow all safety protocols.
- Store the sight set in a secure location away from children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage.
- In case of any doubts regarding installation or usage, consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use may lead to misalignment, which can affect accuracy and safety.
- **Avoiding Hazards:**
 - Ensure that the firearm is unloaded before installation.
 - Do not attempt to modify the sight set or firearm in ways not specified in this guide.
 - Be aware of your surroundings when using the firearm equipped with the sight set.
- **Age Specific Warnings:** This product is intended for adult use only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sight from the firearm using the appropriate tools.
- Align the front sight (0.125 in. blade width) with the designated mounting area on the slide.
- Secure the front sight in place using the provided screws.
- Install the rear sight (0.15 in. notch width) by aligning it with the rear sight dovetail.
- Ensure that both sights are properly aligned for coitness with your red dot optic.
- Tighten all screws securely but do not overtighten to avoid damage.

2. Usage Instructions:

- Familiarize yourself with the sight picture before using the firearm.
- Practice aiming with the sight set in a safe environment.
- Regularly check the alignment of the sights before each use.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations.
- Do not dispose of the sight set in regular household waste.
- If the sight set is damaged or no longer usable, contact a local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and performance of the OPTIC COMPATIBLE TRITIUM SIGHT SET, please consult your retailer or a qualified gunsmith. Always ensure that you have access to updated safety information and recall notices.

By following these guidelines, you can ensure the safe and effective use of your AMERIGLO® Optic Compatible Tritium Sight Set. Thank you for prioritizing safety in your firearm practices.
