Exclusive to Brownells! The standard-issue night sight set for the FBI and US Marshals! AmeriGlo's Agent night sight set for Glock® is a major step forward in night sight design that delivers improved visibility and faster sight acquisition in any lighting conditions. These are low-profile, fixed sights designed to meet the daily carry needs of law enforcement officers. AmeriGlo Agent sights for Glock® employ the proven 3-dot configuration preferred by many experienced shooters. The ProGlo style front blade has a vivid green Tritium lamp surrounded by a bright orange outline, so there's no trouble identifying your front sight under stress. The fixed rear sight has a rounded U-notch flanked by two green Tritium lamps with subdued black outlines. SPECS Drop-in replacements for factory sights Swiss-made self-illuminating Tritium lamps are backed by a 12-year warranty Rear U-notch (all): .165" wide Front sights: .140" wide Glock® 9mm/.40 S&W/.357 SIG front: .180" high Glock® 10mm/.45 ACP front: .165" high Gen5 sights fit all models of Glock® Gen5 pistols ONLY (front: .200" high) AmeriGlo Agent night sights are machined from high-grade steel barstock, dehorned to prevent snagging on your clothing during the draw, and given a durable, non-reflective black finish to match your Glock® slide. Even so, the rear sight body is shaped to support one-handed slide racking in an emergency. Safety Instruction Guide for AGENT TRITUM NIGHT SIGHT SET FOR GLOCK® G14 9MM & G5 10MM

Introduction

Thank you for choosing the AmeriGlo Agent Tritium Night Sight Set for your Glock® pistol. This guide is designed to provide you with essential safety information and instructions to ensure the safe and effective use of your night sight set. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Glock® pistol before installing or using the night sights.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your night sights and firearm securely to prevent unauthorized access, especially from children.
- Inspect your night sights regularly for any signs of damage or wear.
- If you notice any damage or malfunction, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- The AmeriGlo Agent night sights are designed for adult users. Keep them away from children and unauthorized users.
- Do not attempt to modify or alter the night sights in any way.
- Avoid using the night sights in extreme conditions that may affect their performance, such as subzero temperatures or excessive humidity.
- Ensure that the sights are properly installed before using your firearm.
- If you are unsure about the installation process, seek assistance from a qualified professional.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** You will need a sight pusher tool or a small hammer, a punch, and possibly a small screwdriver.
2. **Prepare Your Firearm:** Ensure the firearm is unloaded. Remove the magazine and visually inspect the chamber.
3. **Remove Factory Sights:**
 - Use the sight pusher tool or a punch to carefully remove the factory sights from your Glock®.
 - Be cautious not to damage the slide during this process.
4. **Install AmeriGlo Night Sights:**
 - Align the front sight with the dovetail on the slide and press it into place.
 - Repeat the process for the rear sight, ensuring it is aligned properly.
5. **Check Alignment:** After installation, check the alignment of the sights to ensure they are straight and secure.
6. **Test Functionality:** Before using your firearm, conduct a function check to ensure that the sights are properly installed and functioning as intended.

Usage

- Aim to use your night sights in lowlight or dark conditions to fully appreciate their capabilities.
- Practice regularly to become familiar with the sight picture and improve your shooting accuracy.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If you need to dispose of the night sights, check with local recycling programs or hazardous waste facilities to ensure safe disposal.

Contact Information for Further Support

For any inquiries regarding the AmeriGlo Agent Tritium Night Sight Set, please consult the manufacturer's website or contact customer support for assistance.

Conclusion

By following this safety instruction guide, you can ensure the safe use and longevity of your AmeriGlo Agent Tritium Night Sight Set. Always prioritize safety and responsible firearm handling practices. Thank you for choosing AmeriGlo, and enjoy your enhanced shooting experience.
