

# AGENT TRITIUM NIGHT SIGHT SET FOR GLOCK® GEN 1-4 10MM CALIBER - AMERIGLO AGENT 3-DOT TRITIUM-ORANGE OL SIGHT SET GLOCK GEN 1-4 10MM

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Exclusive to Brownells! The standard-issue night sight set for the FBI and US Marshals! AmeriGlo's Agent night sight set for Glock® is a major step forward in night sight design that delivers improved visibility and faster sight acquisition in any lighting conditions. These are low-profile, fixed sights designed to meet the daily carry needs of law enforcement officers. AmeriGlo Agent sights for Glock® employ the proven 3-dot configuration preferred by many experienced shooters. The ProGlo style front blade has a vivid green Tritium lamp surrounded by a bright orange outline, so there's no trouble identifying your front sight under stress. The fixed rear sight has a rounded U-notch flanked by two green Tritium lamps with subdued black outlines. SPECS Drop-in replacements for factory sights Swiss-made self-illuminating Tritium lamps are backed by a 12-year warranty Rear U-notch (all): .165" wide Front sights: .140" wide (G42,43 is .125" Wide) Glock® 10mm/.45 ACP front: .165" high AmeriGlo Agent night sights are machined from high-grade steel barstock, dehorned to prevent snagging on your clothing during the draw, and given a durable, non-reflective black finish to match your Glock® slide. Even so, the rear sight body is shaped to support one-handed slide racking in an emergency. # AGENT TRITIUM NIGHT SIGHT SET FOR GLOCK® GEN 14 10MM CALIBER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the AGENT TRITIUM NIGHT SIGHT SET for your Glock® firearm. This product is designed to enhance your shooting experience by providing improved visibility in lowlight conditions. It is essential to follow the safety guidelines and instructions outlined in this document to ensure the safe use and installation of your night sights.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your firearm.
- Keep the night sights and all firearm accessories out of reach of children.
- Do not modify the night sights or attempt to disassemble them.
- Regularly inspect your night sights for any signs of wear or damage.
- If you notice any issues with the night sights, discontinue use immediately and contact a qualified gunsmith.

## Specific Safety Precautions for Use

- **Visibility:** Ensure that the sights are properly installed and aligned for optimal visibility.
- **Handling:** Always handle your firearm with care, especially when installing or adjusting the night sights.
- **Environment:** Be aware of your surroundings and ensure you are in a safe area when using your firearm with the night sights.
- **Emergency Use:** The rear sight is designed for onehanded slide racking in emergencies; practice this technique safely.
- **Storage:** When not in use, store your firearm securely and ensure that the night sights are protected from impacts.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Gather Required Tools:

- A proper sight installation tool or a gunsmithing tool.
- A clean workspace to prevent loss of small parts.

#### 2. Remove Factory Sights:

- Use the sight tool to carefully remove the factory sights from your Glock®.
- Take care not to damage the slide during this process.

#### 3. Install New Night Sights:

- Align the front sight with the designated slot on the slide and press it into place.
- Repeat the process for the rear sight, ensuring it is properly seated in the Unotch.

#### 4. Check Alignment:

- After installation, check the alignment of the sights to ensure they are straight and correctly positioned.

## 5. Secure the Sights:

- If applicable, use any locking screws or mechanisms to secure the sights in place.

## Usage Instructions

- To use the night sights effectively, ensure that the Tritium lamps are not obstructed and are clean.
- Practice aiming and shooting with the night sights in various lighting conditions to become familiar with their operation.
- Regularly check the Tritium lamps for brightness; they should be visible in lowlight conditions.

## Disposal Instructions

When disposing of the night sights or any firearm accessories, follow these guidelines:

- Do not dispose of Tritium lamps in regular household waste.
- Contact your local waste disposal authority for proper disposal methods of hazardous materials.
- Ensure that all components are disposed of in an environmentally friendly manner.

## Contact Information for Further Support

For any questions or concerns regarding the AGENT TRITIUM NIGHT SIGHT SET, please refer to the manufacturer's website or contact their customer service for assistance. Always ensure that you are using genuine products and parts to maintain safety and functionality.

By following these safety instructions, you can ensure a safe and effective experience with your AGENT TRITIUM NIGHT SIGHT SET. Thank you for your commitment to safety and responsible firearm use.
