[Gunsmith Tools](#) > [Safety Equipment](#) > [Aprons](#)

A Premium-Quality Shop Apron Sized for Good Coverage & Minimal Bulk Our shop aprons have been mainstays of gunsmiths' workbenches for decades, the "Brownells" logo on the front an enduring symbol of quality and durability. Our Short Shop Apron offers all of the features of our standard apron in a shorter length for folks who don't need full coverage or want minimal restriction of movement. Durable, all-cotton canvas construction stands up to the rigors of daily shop use. Seams are double-stitched and rolled for extra strength, with every corner and stress point bar-tacked for reinforcement. Solvent- and oil-resistant nylon thread is used for all the stitching to ensure a long service life. This Short Shop Apron has three (3) handy pockets on the front include a high centered upper pocket with a dedicated pen/pencil slot, plus spacious lower pockets on each side for additional storage. There's another pocket on the inside at the top of the bib for holding your phone or other items you want at your fingertips. Shorter length gives good coverage, no restriction of movement Durable all-cotton canvas construction Robust double-stitched seams & reinforced stress points Easy-closure adjustable neck strap for perfect fit Four (4) handy pockets (3 outside, 1 inside) The hook-and-loop closure on the neck strap lets you adjust the bib for a secure fit and maximum coverage. The Brownells logo is tastefully embroidered on the front lets the whole world know who your favorite firearm supplier is. Our Short Shop Apron is easy to care for: when it gets dirty, just machine wash and dry it without worrying about the edges curling or the shape distorting. It'll stand up to many washing cycles, so you can always look spiffy for your customers.

# Safety Instruction Guide for Short Canvas Apron

## Introduction

Thank you for choosing the Short Canvas Apron by Brownells. This guide provides important safety information and usage instructions to ensure your safe and effective use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the apron fits properly to avoid any risks of entanglement or movement restriction.
- Inspect the apron for any damage or defects before each use. Do not use if damaged.
- Keep the apron away from open flames and high heat sources, as the fabric is not flameresistant.
- Store the apron in a dry place to prevent mold and mildew growth.
- Be cautious when using sharp tools or equipment while wearing the apron, as it does not provide protection against cuts or punctures.
- If you notice any signs of wear, such as frayed seams or loose stitching, discontinue use immediately.

## Specific Safety Precautions for Use

- The apron is designed for adult use. Keep it out of reach of children.
- Avoid using the apron in hazardous environments where exposure to chemicals or toxic substances may occur.
- Ensure that pockets are not overloaded to prevent the apron from becoming unbalanced.
- Do not use the apron as a substitute for personal protective equipment (PPE) when required.

## Instructions for Installation and Usage

### 1. Wearing the Apron:

- Place the apron over your head and adjust the neck strap for a comfortable fit.
- Use the hookandloop closure to secure the neck strap, ensuring it is snug but not restrictive.
- Adjust the waist ties for additional support and comfort.

### 2. Using the Pockets:

- Utilize the designated pen/pencil slot in the upper pocket for easy access.
- Store tools and materials in the lower pockets, ensuring they do not exceed the pocket's capacity.

### 3. Cleaning and Maintenance:

- Machine wash the apron in cold water with mild detergent.
- Tumble dry on low heat or air dry to maintain shape and integrity.
- Do not bleach or iron the apron to avoid damage to the fabric.

## Disposal Instructions

- When the apron reaches the end of its useful life, dispose of it in accordance with local waste management regulations.
- If the apron is heavily soiled or contaminated with hazardous materials, follow your local guidelines for disposal of such items.
