

PRO AMMO CHECKER SINGLE CALIBER - LYMAN PRO AMMO CHECKER SINGLE CALIBER 308 WIN STAINLESS

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Lyman Pro Ammo Checkers are precision machined from corrosion resistant stainless steel to minimum SAAMI chamber tolerances. All Pro Ammo Checkers are clearly marked for caliber. Simply drop your loaded cartridge into the gauge and if it fits, it will chamber in your gun. A “must” final check for competitive shooters or anyone that wants to ensure smooth, trouble free chambering of reloaded ammo.

Safety Instruction Guide for Lyman Pro Ammo Checker Single Caliber 308 Win Stainless

Introduction

Thank you for choosing the Lyman Pro Ammo Checker Single Caliber 308 Win Stainless. This precision tool is designed to ensure that your reloaded ammunition meets the required specifications for safe chambering in your firearm. This guide provides essential safety instructions to help you use the product safely and effectively.

General Safety Guidelines

- Always handle ammunition and firearms responsibly and in accordance with local laws and regulations.
- Ensure that the Lyman Pro Ammo Checker is used only for its intended purpose.
- Regularly inspect the ammo checker for signs of wear or damage before each use.
- Keep the ammo checker out of reach of children and unauthorized individuals.
- If you notice any defects or irregularities in the product, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Ensure that the ammo checker is clean and free from debris before use.
- Only use the ammo checker with 308 Winchester cartridges to avoid incorrect measurements.
- Do not force a cartridge into the ammo checker; if it does not fit, do not attempt to modify the cartridge or the checker.
- Always perform the ammo check in a safe and controlled environment, away from live firearms.
- If using in a competitive setting, familiarize yourself with the rules and regulations regarding ammo checking.

Instructions for Installation and Usage

1. **Inspect the Product:** Before use, check the ammo checker for any visible damage or defects.
2. **Load the Cartridge:** Take a loaded 308 Winchester cartridge and gently drop it into the ammo checker.
3. **Check for Fit:** Observe whether the cartridge fits snugly in the checker. If it fits, it is likely to chamber correctly in your firearm.
4. **Remove the Cartridge:** After checking, carefully remove the cartridge from the ammo checker.
5. **Repeat as Necessary:** For multiple cartridges, repeat the process for each one to ensure they all meet specifications.

Disposal Instructions

- Dispose of the Lyman Pro Ammo Checker responsibly when it reaches the end of its life cycle.
- Follow local regulations for the disposal of metal products.
- Consider recycling the product if possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please consult your retailer or the manufacturer's customer support.

By following these safety instructions, you can ensure a safe and effective experience with your Lyman Pro Ammo Checker. Remember, safety is paramount when handling ammunition and firearms. Always prioritize proper practices and stay informed about the latest safety guidelines.
