

AR-15 MAGAZINE 20-ROUND USGI - BROWNELLS AR-15 223/5.56MM STRAIGHT 20 ROUND MAGAZINE, ALUMINUM, GRAY

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Classic 20 Round AR15/M16 Magazine Design New production 20 Round straight body aluminum magazines feature the reliability you've come to expect from Brownells USGI type mags. The original 20 round profile is retained, with improved geometry at the feed lips and at the bolt catch interface, to ensure the most reliable magazine possible. New laser welded halves remove any potential for spot welds to deform magazine body, ensuring a smooth ammo stack and exterior profile. Stamped aluminum two half construction Laser welded seams Matte gray anodizing Dry film application to ensure smooth operation Re-profiled feed lips for improved performance Black follower (just like the original 20 round mags) Easy to remove floorplate Note: These magazines feature a dry film lubricant on the exterior. This film will highlight scuffs and dings easily. This is normal for a USGI magazine finish.

Safety Instruction Guide for AR15 Magazine 20Round USGI

Introduction

Thank you for choosing the AR15 Magazine 20Round USGI from Brownells. This guide provides essential safety instructions and usage information to ensure safe handling and operation of your magazine. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure that you are of legal age to purchase and use firearm magazines in your jurisdiction.
- Always handle firearms and magazines with care and respect.
- Keep the magazine away from children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Store the magazine in a secure location when not in use.
- Report any unsafe products or incidents to local authorities.

Specific Safety Precautions for Use

- Always ensure that the magazine is empty before handling or cleaning.
- Do not use the magazine if it shows signs of deformation, cracks, or other damage.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Ensure that the magazine is compatible with your firearm model before use.
- Use only recommended ammunition types (5.56 x 45) for this magazine.
- Be cautious of the dry film lubricant on the exterior; it may highlight scuffs and dings.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is pointed in a safe direction.
- Make sure the firearm is unloaded and the chamber is clear.
- Align the magazine with the magazine well of your firearm.
- Insert the magazine until it clicks into place.

2. Loading:

- Hold the magazine securely.
- Insert rounds into the magazine one at a time, ensuring they are seated properly.
- Do not overload the magazine beyond its 20round capacity.

3. Usage:

- Always follow safe firearm handling practices.
- When ready to fire, ensure your firearm is in a safe condition.
- After use, remove the magazine from the firearm and ensure it is empty.

4. Cleaning and Maintenance:

- Clean the magazine regularly to ensure reliable operation.
- Use a soft cloth to wipe down the exterior and remove any debris.
- Avoid using abrasive materials that may scratch the surface.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding firearm accessories.
- If the magazine is damaged or no longer usable, consider contacting a local recycling facility for proper disposal methods.
- Do not dispose of the magazine in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Magazine 20Round USGI, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure safe and effective use of your AR15 Magazine. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety instructions.
