[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

MADE IN USA FLUTED MATCH GRADE BARRELS FOR GLOCK® 17, 19, 43 Our Fluted Match-Grade Barrel for the Glock® pistols is an excellent replacement for a shot-out factory barrel or for upgrading the factory barrel. Each Brownells Fluted Match-Grade Barrel is machined from hardened 416R stainless steel to precise dimensions. The extra-hard Black Nitride finish resists surface wear and corrosion that might try to challenge the stainless steel. This 9mm Luger (9x19mm) chambered barrel is button-rifled with standard, 1-10" right-hand twist. 430111192 and 430111193 fits Glock® 17 Gen 1 thru Gen 4 430111194 and 430111195 fits Glock® 19 Gen 1 thru Gen 5 430111196 and 430111197 fits Glock® 43 Button-rifled 1-10" twist 416R stainless steel Non-reflective Black Nitride anti-corrosion finish Threaded model available with 1/2"-28 tpi threads Available Glock® slide options 430111186, 430111187, 430111188, 430111189, 430111190, 430111191 DISCLAIMER: "GLOCK" is a federally registered trademark of GLOCK, Inc. and is one of many trademarks owned by GLOCK, Inc. or Glock®Ges.m.b.H. Safety Instruction Guide for Fluted Match Grade Barrels for Glock®

Introduction

Thank you for choosing the Fluted Match Grade Barrel for your Glock® pistol. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your barrel. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the barrel is compatible with your specific Glock® model before installation.
- Always handle firearms with care and follow standard safety protocols.
- Store the barrel in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect the barrel for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- If you are unsure about any aspect of installation or use, seek professional assistance.

Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Use only the specified caliber (9 mm Luger) with the barrel.
- Avoid using reloaded or handloaded ammunition unless you are confident in its quality and safety.
- Wear appropriate eye and ear protection when firing your firearm.
- Ensure the firearm is pointed in a safe direction at all times.
- Do not modify the barrel or any other firearm components without proper knowledge and expertise.
- Keep the barrel and firearm out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation, including a punch tool and a torque wrench.
- Make sure your Glock® pistol is unloaded and the magazine is removed.

2. Installation Steps:

- Remove the slide from your Glock® pistol according to the manufacturer's instructions.
- Remove the factory barrel from the slide.
- Carefully insert the Fluted Match Grade Barrel into the slide, ensuring it is seated correctly.
- Reassemble the slide and secure it onto the frame of the pistol.
- If applicable, attach any threaded accessories to the barrel following the manufacturer's guidelines.

3. Usage:

- Once installed, perform a function check to ensure the barrel operates correctly with your Glock® pistol.
- Test fire the firearm in a safe and controlled environment to ensure proper functionality.

4. Cleaning and Maintenance:

- Clean the barrel regularly using appropriate firearm cleaning supplies.

- Inspect the barrel for any signs of wear or damage after each use.

Disposal Instructions

- When disposing of the barrel, follow local regulations for hazardous materials.
- Ensure that the barrel is rendered unusable before disposal to prevent unauthorized use.
- Consider recycling the barrel if local facilities accept metal products.

Contact Information for Further Support

For any safety inquiries or further support regarding your Fluted Match Grade Barrel, please refer to the manufacturer's website or contact their customer service directly.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is of utmost importance. Enjoy your shooting experience responsibly!
