

## **NEW ZEALAND REFERENCE 5.56X45 NATO SEMI-AUTO RIFLE - NEW ZEALAND REFERENCE 5.56X45 NATO 16" BBL (1)30RD MAG BLACK**

NEW ZEALAND REFERENCE 5.56X45 NATO SEMI-AUTO RIFLE This is the closest you can get to the true New Zealand MARS-L rifle. This semi auto reference rifle includes true requirement features, such as: LMT® metric flip-up sights bayonet lug Surefire Warcomp flash hider enhanced trigger guard QD receiver end plate ambidextrous charging handle MARS-L ambidextrous lower receiver. This is the latest and best version of a modern M4. LMT® built this rifle with its patented Monolithic Rail Platform, the only true monolithic rail platform, milled from a single high-grade aluminum forging. Two locking bolts on the side of the receiver lock the barrel extension in place. MRP technology engages the barrel extension for a full 360 degrees and allows the barrel to be removed in seconds while minimizing point of impact shift. One receiver can support numerous barrels of varying length, material, and caliber. Components CQB Upper Receiver | Ambidextrous Charging Handle | S-A Bolt Carrier Group | MARS-L Lower Receiver | The CQB upper receiver has a 16.25-inch Picatinny top rail, while providing eight inches of rail on the left and right, and 7 inches of rail on the bottom. Consequently, the one-piece design offers the best platform for accuracy and durability. Monolithic rail platform barrels use a low profile gas block with straight gas tube; furthermore, they have a proprietary coating and are cryogenically treated for long term durability. The MARS®-L ambidextrous lower receiver features our EDM machined two-stage trigger, winter trigger guard, endplate with QD swivel point, LMT® ergonomic textured grip, and SOPMOD stock. The ambidextrous features include bolt catch and release, magazine catch, and safety selector. As with all LMT® lower receivers, the extension tube is coated with dry film lubricant. This weapon system comes complete with metric flip-up sights, tactical two point sling, 3 rail panel covers, Magpul windowed 5.56 30rd magazine, torque wrench, and owner's manual. # **Safety Instruction Guide for NEW ZEALAND REFERENCE 5.56X45 NATO SEMIAUTO RIFLE**

## **Introduction**

Thank you for choosing the NEW ZEALAND REFERENCE 5.56X45 NATO SEMIAUTO RIFLE. This guide provides essential safety instructions to ensure the safe use and handling of your rifle. Please read this manual thoroughly before using the product to understand the safety precautions and guidelines.

## **General Safety Guidelines**

- Always treat every firearm as if it is loaded.
- Keep the rifle pointed in a safe direction at all times.
- Ensure the rifle is not loaded when not in use.
- Store the rifle securely and out of reach of children and unauthorized users.
- Use only the recommended ammunition for this rifle.
- Always wear appropriate safety gear, including eye and ear protection, when operating the rifle.
- Be aware of your surroundings and ensure that you have a clear shooting area.
- Do not use the rifle under the influence of alcohol or drugs.
- Regularly inspect the rifle for any signs of wear or damage.

## **Specific Safety Precautions for Use**

- Ensure that the safety selector is in the "Safe" position until you are ready to fire.
- Keep your finger off the trigger until you are ready to shoot.
- Avoid placing any part of your body in front of the muzzle when loading or unloading the rifle.
- Do not attempt to modify or alter the rifle in any way.
- Be cautious of potential hazards, such as obstructions in the barrel or malfunctioning ammunition.
- If a round fails to fire, keep the rifle pointed in a safe direction and wait at least 30 seconds before attempting to clear the malfunction.

## **Instructions for Installation and Usage**

### **1. Installation of Accessories:**

- Follow the manufacturer's instructions for installing any accessories or attachments.
- Ensure that all accessories are securely attached and do not interfere with the operation of the rifle.

### **2. Loading the Rifle:**

- Ensure the rifle is pointed in a safe direction.
- Open the bolt and visually inspect the chamber to confirm it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the charging handle to the rear and release it to chamber a round.

### **3. Firing the Rifle:**

- Ensure the rifle is aimed at the intended target.
- Place your finger on the trigger only when you are ready to fire.
- Squeeze the trigger smoothly to fire the rifle.

### **4. Unloading the Rifle:**

- Point the rifle in a safe direction.
- Remove the magazine by pressing the magazine catch.
- Pull the charging handle to the rear to eject any chambered round.
- Visually inspect the chamber to ensure it is empty.

### **5. Cleaning and Maintenance:**

- Regularly clean the rifle according to the manufacturer's recommendations.
- Use appropriate cleaning tools and solvents designed for firearms.
- Inspect all components for wear and replace any damaged parts immediately.

## **Disposal Instructions**

- Dispose of any used ammunition and packaging materials in accordance with local regulations.
- Do not dispose of firearms in regular trash. Follow local laws and regulations for the disposal of firearms and ammunition.
- If you no longer need the rifle, consider selling or transferring it through legal channels to ensure it does not fall into the wrong hands.

## **Contact Information for Further Support**
