MARS-H BATTLE RIFLE 7.62X51 NATO SEMI-AUTO RIFLE MLKMWS Upper Receiver | Ambidextrous Charging Handle | S-A Bolt Carrier Group | MARS-H Lower Receiver | 13.5" 7.62x51 (.308) Light Weight Chrome Lined 1:10" RH Twist Barrel w/ Pinned LMT® 3-Prong Flash Hider This particular model features a 13.5" light weight barrel with pinned 3-prong flash hider, ultimately reaching 16". No tax stamp required! Utilizing the LMT® patented Monolithic Rail Platform, MRP™. The only true monolithic rail platform, milled from a single solid piece of aerospace aluminum forging. It utilizes two locking bolts accessible from the side of the receiver to lock in the barrel extension. This patented technology engages the barrel extension for a full 360 degrees around the extension and makes the barrel removable within seconds with a return to zero of the same barrel. One receiver can utilize numerous barrels of varying length, material, and caliber. The upper receiver has 19.25" of picatinny rail on the 12 o'clock position. The remaining 7 sides provide M-LOK compatible attachment points. MARS-H barrels utilize a low profile gas block and straight gas tube. They possess proprietary coating and are cryogenically treated for long term durability. The MARS-H ambidextrous lower receiver features LMT's EDM machined two-stage trigger, winter trigger guard, endplate with QD swivel point, LMT® ergonomic textured grip, and SOPMOD stock. The ambidextrous features include bolt catch and release, magazine catch, and safety selector. As with all LMT® lower receivers, the extension tube is coated with dry film lubricant. This weapon system comes complete with magazine, owner's manual, and 3 rail panels

MARSH Battle Rifle Safety Instruction Guide

Introduction

Thank you for choosing the MARSH Battle Rifle 7.62x51 NATO SemiAuto Rifle. This guide provides essential safety instructions to ensure the safe use of your firearm. Please read this document carefully before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that your firearm is stored securely and out of reach of children.
- Do not use the firearm under the influence of drugs or alcohol.
- Always wear appropriate eye and ear protection when using the firearm.
- Be aware of your target and what lies beyond it.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the safety selector is in the "Safe" position until you are ready to fire.
- Only use ammunition that is specified for the MARSH Battle Rifle (7.62x51 NATO).
- Do not modify the firearm or use aftermarket parts that are not approved by the manufacturer.
- Avoid placing any part of your body in front of the muzzle when loading, unloading, or firing.
- If a malfunction occurs, keep the firearm pointed in a safe direction and follow the proper clearing procedures.
- Always ensure that the chamber is clear before storing or transporting the firearm.
- Use the proper technique when handling the charging handle to avoid injury.

Instructions for Installation and Usage

Installation

1. **Check the Components:** Ensure that all components are present and undamaged before installation.
2. **Attach the Handguard:** Align the handguard with the upper receiver and secure it using the provided screws.
3. **Install the Barrel:** Follow the manufacturer's instructions to properly install the barrel onto the upper receiver, ensuring it is locked in place.
4. **Attach the Stock:** Securely attach the stock to the lower receiver, ensuring it is properly aligned.

Usage

1. **Loading the Magazine:** Insert the magazine into the magazine well until it clicks into place.
2. **Chambering a Round:** Pull back the charging handle and release it to chamber a round.
3. **Firing:** Aim at your target, ensure the safety is off, and squeeze the trigger gently.
4. **Unloading:** To unload, engage the safety, remove the magazine, and pull back the charging handle to eject any chambered round.

Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations regarding firearms disposal.
- Do not dispose of any ammunition or firearm components in regular trash.
- Contact local law enforcement or a licensed firearms dealer for safe disposal options.

Contact Information for Further Support

For any questions or concerns regarding safety or product usage, please refer to your local authorized dealer or the manufacturer's website for more information.

Note: This safety instruction guide is intended to provide essential safety information and should not be considered a substitute for comprehensive training in firearm safety and handling. Always seek professional training before using a firearm.
