[Home](#)

DEFENDER-L 5.56X45 NATO SEMI-AUTO RIFLE LMT® has developed numerous innovations over the last 35+ years and, as a result, long-time customers have seen models come and go from their arsenal. Veterans of their products will remember the Defender 2000. Released in 2000, this model was the first in the MRP® family and the progenitor of the many customization options you see in their products today. Historically, LMT® products have held a high price point due to the quality and attention to detail given every rifle. Members of their team have worked to provide an entry-level rifle for customers new to the LMT® family. LMT® built this rifle with its patented Monolithic Rail Platform, the only true monolithic rail platform, milled from a single high-grade aluminum forging. Two locking bolts on the side of the receiver lock the barrel extension in place. MRP® technology engages the barrel extension for a full 360 degrees and allows the barrel to be removed in seconds while minimizing point of impact shift. One receiver can support numerous barrels of varying length, material, and caliber. Components MLC Upper Receiver Tactical Charging Handle S-A Bolt Carrier Group Defender Lower Receiver The MLC upper receiver has a 14.5-inch Picatinny top rail. The remaining 7 sides provide M-LOK compatible attachment points. Monolithic rail platform barrels use a low profile gas block with straight gas tube; furthermore, they have a proprietary coating and are cryogenically treated for long term durability. Finally, the lower receiver features a textured grip, M4 style stock, and dry film lubricant coated extension tube. This weapon system comes with a magazine and owner's manual. SPECIFICATIONS: Barrel Length: 16 in Barrel Material: Chromoly Rifling Twist Rate: 1:7" Caliber: 5.56x45 Handguard Style: MLOK - Carbine Length Color: Black Magazine Capacity: 30 Rounds Operating Method: Direct Impingement Selector: Safe/Semi Trigger: Single Stage

## Attributes

# Safety Instruction Guide for DEFENDERL 5.56X45 NATO SEMIAUTO RIFLE

## Introduction

Thank you for choosing the DEFENDERL 5.56X45 NATO SemiAuto Rifle. This guide is designed to provide you with important safety information, usage instructions, and disposal guidelines to ensure safe handling and operation of your firearm. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms securely and out of reach of children and unauthorized users.
- Use only the correct ammunition as specified by the manufacturer.
- Regularly inspect your firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before cleaning or performing any maintenance.
- Do not use the firearm under the influence of drugs or alcohol.
- Wear appropriate eye and ear protection when shooting.
- Avoid using the firearm in adverse weather conditions that may affect visibility or safety.
- Be cautious of the environment and ensure that you have a safe backdrop when shooting.
- Do not attempt to modify or alter the firearm in any way that may affect its safety or performance.
- Keep the firearm clean and wellmaintained to ensure reliable operation.

## Instructions for Installation and Usage

### 1. Unboxing and Initial Inspection

- Carefully remove the DEFENDERL rifle from its packaging.
- Inspect the firearm for any visible damage or defects.
- Ensure that all included components, such as the magazine and owner's manual, are present.

### 2. Loading the Firearm

- Ensure the firearm is pointed in a safe direction.
- Open the action and visually inspect the chamber to confirm it is empty.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the charging handle to chamber a round.

### 3. Firing the Firearm

- Ensure that you are in a safe shooting position with a clear line of sight to your target.
- Place your finger on the trigger only when you are ready to fire.
- Squeeze the trigger gently to fire the weapon.
- After firing, maintain control of the firearm and be aware of your surroundings.

### 4. Clearing the Firearm

- After use, remove the magazine from the firearm.
- Pull the charging handle to eject any chambered round.
- Visually inspect the chamber to ensure that it is empty.

## **5. Cleaning and Maintenance**

- Clean the firearm regularly using appropriate cleaning supplies.
- Follow the manufacturer's recommendations for maintenance and care.
- Store the firearm in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the firearm in accordance with local laws and regulations.
- If the firearm is no longer functional or needed, consider contacting a licensed firearms dealer for proper disposal.
- Do not dispose of ammunition or firearm components in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the DEFENDERL 5.56X45 NATO SemiAuto Rifle, please refer to the contact information provided in the owner's manual or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your DEFENDERL rifle. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important safety measures.
