LMT 5.56MM LOWER PARTS KIT Safety Instructions

Introduction

Thank you for choosing the LMT 5.56MM Lower Parts Kit. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that all assembly and installation are performed in a safe environment, free from distractions.
- Always wear appropriate safety gear, including eye protection, when handling tools and components.
- Keep all parts out of reach of children and pets to prevent accidental injury.
- Regularly inspect your firearm and its components for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunction or injury.
- Handling of sharp edges during assembly can cause cuts.
- Misuse of the product can lead to serious injury or death.

- **Avoiding Hazards:**

- Always ensure that the firearm is unloaded before starting any assembly or modification.
- Use tools as intended and follow the manufacturer's instructions.
- Do not attempt to modify or alter any components unless specified by the manufacturer.
- Ensure that all parts are compatible with your firearm model.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals 18 years and older. Ensure that minors are supervised by an adult when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components.
- Ensure your work area is clean and organized.

2. Installation Steps:

- **Lower Parts Kit without Trigger Group:**

- Install the trigger guard assembly.
- Attach the magazine catch assembly.
- Install the bolt catch assembly.

- Insert pivot/takedown pin assemblies.
- Secure the buffer retaining pin/spring.
- Install the S/A ambidextrous selector assembly.

- **Lower Parts Kit with Trigger Group:**

- Follow the steps above for the components without the trigger group.
- Complete the installation by attaching the complete LMT AXLE® TwoStage trigger group.

3. PostInstallation Checks:

- Doublecheck all assemblies for proper installation.
- Ensure that all parts are secure and functioning correctly before use.

4. Usage:

- Always follow safe handling practices when using your firearm.
- Familiarize yourself with the operation of your firearm and its components.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- Dispose of any damaged or unused parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the appropriate EUbased contact point associated with this product.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your LMT 5.56MM Lower Parts Kit responsibly!
