# LMT .308 Lower Parts Kit Safety Instructions

## Introduction

Thank you for purchasing the LMT .308 Lower Parts Kit. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with all local and national laws and regulations.
- Always handle firearms and their components with care, treating them as if they are loaded.
- Store all parts in a secure and safe location, away from children and unauthorized individuals.
- Regularly inspect all components for wear and damage before use.
- Do not use any parts that appear damaged or defective.
- Be aware of your surroundings and ensure you are in a safe environment when handling firearm components.

## Specific Safety Precautions for Use

- Only use this kit with compatible LMT .308 lower receivers.
- Always wear appropriate safety gear, including eye protection, when handling or installing parts.
- Ensure that the firearm is unloaded before installing or replacing any components.
- Do not attempt to modify any parts unless you are a qualified professional.
- Keep your hands and other body parts clear of moving parts during installation.
- Follow all manufacturer guidelines for the safe operation of your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools before beginning installation.
- Ensure that you are in a clean, welllit workspace.

### 2. Installation Steps

- **Trigger Guard Assembly:** Install the trigger guard assembly by aligning it with the lower receiver and securing it with the appropriate screws.
- **Magazine Catch Assembly:** Insert the magazine catch into the lower receiver and secure it in place.
- **Bolt Catch Assembly:** Position the bolt catch and secure it according to the manufacturer's instructions.
- **Pivot/Takedown Pin Assemblies:** Install the pivot and takedown pins into their respective positions.
- **Buffer Retaining Pin/Spring:** Insert the buffer retaining pin and spring into the designated area.
- **Selector Assembly:** Install the S/A ambidextrous selector assembly in accordance with the instructions provided.

### 3. Trigger Group Installation

- If your kit includes a trigger group, follow the specific instructions for installing the LMT AXLE® TwoStage trigger group.
- Ensure that the trigger group is properly aligned and secured.

### 4. Final Checks

- Once all components are installed, doublecheck that everything is secured and functioning correctly.
- Perform a safety check to ensure that the firearm operates as intended.

## **Disposal Instructions**

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not discard parts in regular household waste. Check for local hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the LMT .308 Lower Parts Kit, please contact the manufacturer or your retailer for assistance. Ensure that you have your product details ready for reference.

By following these safety instructions, you can ensure a safe and successful experience with your LMT .308 Lower Parts Kit. Always prioritize safety and consult professionals if in doubt. Thank you for choosing LMT.
