

SUPPRESSOR CLEANER 16OZ BOTTLE

SUPPRESSOR CLEANER The Breakthrough Clean Technologies Suppressor Cleaner is a water-based, ammonia-free cleaner that removes heavy carbon and lead deposits. Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner effectively neutralizes all corrosive residues, preventing damaging rust and corrosion without etching or harming your suppressor. With no noxious fumes or hazardous chemicals, the suppressor cleaner is a safe and effective choice for removing stubborn carbon and lead build-up in your suppressor. **FEATURES:** **SUPPRESSOR CLEANING SUPPLIES:** Our carbon remover is a water-based cleaner that dissolves heavy carbon and lead deposits on a firearm's suppressor. It neutralizes all corrosive residues and temporarily protects against rust and corrosion. **FIREARM ACCESSORY CARE AND MAINTENANCE:** Our premium degreaser helps keep your gun accessories in peak condition and top-notch performance. It is petroleum and ammonia-free. **SUPERIOR QUALITY:** Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner prevents the build-up of rust and corrosion without etching or harming the suppressor's surface. **MULTI-PURPOSE DEGREASER:** This carbon cleaner works with aluminum, stainless steel, and titanium-based suppressors. **BREAKTHROUGH CLEAN:** We offer the finest line of products to safely and efficiently maintain your equipment. Our cleaners eliminate more contaminants than the leading competitors, and our lubricants provide the ultimate protection from the elements. *Prolonged contact with Cerakote or Anodized metal may cause discoloring. Always test a small area to ensure product will not harm surface.

SUPPRESSOR CLEANER Safety Instruction Guide

Introduction

Thank you for choosing the Breakthrough Clean Technologies Suppressor Cleaner. This product is designed to effectively remove carbon and lead deposits from firearm suppressors while ensuring safe use. Please read this safety instruction guide carefully to ensure proper handling, usage, and disposal of the product.

General Safety Guidelines

- Always keep the product out of reach of children and pets.
- Use the product in a wellventilated area to avoid inhalation of any vapors.
- Do not ingest the cleaner or apply it to any part of the body.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Check the product for any visible damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the suppressor is cool to the touch before applying the cleaner.
- Wear protective gloves and eyewear to prevent contact with skin and eyes.
- Avoid prolonged contact with Cerakote or anodized metal surfaces, as this may cause discoloration.
- Always test a small area of the suppressor to ensure compatibility with the cleaner.
- Do not mix the cleaner with any other chemicals or cleaners.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the suppressor cleaner, protective gloves, and eyewear.
- Ensure that the suppressor is detached from the firearm and is in a safe and stable position.

2. Application:

- Shake the 16 oz bottle of Suppressor Cleaner well before use.
- Apply a liberal amount of the cleaner directly onto the suppressor, focusing on areas with heavy carbon and lead buildup.
- Allow the cleaner to sit for a few minutes to penetrate the deposits.

3. Cleaning:

- Use a soft brush or cloth to scrub the suppressor gently, removing the loosened carbon and lead deposits.
- Rinse the suppressor thoroughly with water to remove any residual cleaner.
- Dry the suppressor completely with a clean cloth before reattaching it to the firearm.

4. PostCleaning Care:

- Inspect the suppressor for any remaining deposits. Repeat the cleaning process if necessary.
- Ensure that the suppressor is completely dry before storage or use.

Disposal Instructions

- Dispose of any unused or expired cleaner in accordance with local regulations.

- Do not pour the cleaner down the drain or throw it in regular trash.
- Contact your local waste disposal facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Suppressor Cleaner, please refer to the product packaging for contact information or consult the manufacturer's website.

By following these safety instructions, you can ensure the effective and safe use of the Breakthrough Clean Technologies Suppressor Cleaner. Thank you for prioritizing safety in your firearm maintenance practices.
