

SUPPRESSOR CLEANER - BREAKTHROUGH CLEAN SUPPRESSOR CLEANER 16OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Solvents](#)

SUPPRESSOR CLEANER The Breakthrough Clean Technologies Suppressor Cleaner is a water-based, ammonia-free cleaner that removes heavy carbon and lead deposits. Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner effectively neutralizes all corrosive residues, preventing damaging rust and corrosion without etching or harming your suppressor. With no noxious fumes or hazardous chemicals, the suppressor cleaner is a safe and effective choice for removing stubborn carbon and lead build-up in your suppressor. **FEATURES:** **SUPPRESSOR CLEANING SUPPLIES:** Our carbon remover is a water-based cleaner that dissolves heavy carbon and lead deposits on a firearm's suppressor. It neutralizes all corrosive residues and temporarily protects against rust and corrosion. **FIREARM ACCESSORY CARE AND MAINTENANCE:** Our premium degreaser helps keep your gun accessories in peak condition and top-notch performance. It is petroleum and ammonia-free. **SUPERIOR QUALITY:** Utilizing a proprietary blend of chemical surfactants and detergents, this cleaner prevents the build-up of rust and corrosion without etching or harming the suppressor's surface. **MULTI-PURPOSE DEGREASER:** This carbon cleaner works with aluminum, stainless steel, and titanium-based suppressors. **BREAKTHROUGH CLEAN:** We offer the finest line of products to safely and efficiently maintain your equipment. Our cleaners eliminate more contaminants than the leading competitors, and our lubricants provide the ultimate protection from the elements. *Prolonged contact with Cerakote or Anodized metal may cause discoloring. Always test a small area to ensure product will not harm surface.

Safety Instruction Guide for Breakthrough Clean Suppressor Cleaner

Introduction

Thank you for choosing the Breakthrough Clean Technologies Suppressor Cleaner. This product is designed to effectively remove heavy carbon and lead deposits from your firearm's suppressor. It is a waterbased, ammoniafree cleaner that ensures safe use while maintaining the integrity of your equipment. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is kept out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area to avoid inhaling any vapors.
- Do not mix this cleaner with other cleaning agents or chemicals, as this may create hazardous reactions.
- Check the product for any visible damage before use. Do not use if the container is compromised.
- Follow all local regulations regarding the use and disposal of chemical products.

Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as gloves and goggles to protect your skin and eyes from contact with the cleaner.
- Avoid prolonged skin contact with the cleaner. If contact occurs, wash the affected area with soap and water.
- In case of eye contact, rinse immediately with plenty of water and seek medical attention if irritation persists.
- If inhaled, move to fresh air and seek medical attention if any respiratory symptoms occur.
- Prolonged contact with Cerakote or anodized metal may cause discoloration. Always test a small area to ensure the product will not harm the surface.

Instructions for Installation and Usage

1. Preparation:

- Ensure the suppressor is cool and not attached to the firearm.
- Shake the bottle well before use to mix the contents thoroughly.

2. Application:

- Apply the suppressor cleaner directly onto the areas with carbon and lead deposits.
- Allow the cleaner to sit for a few minutes to penetrate and dissolve the deposits.

3. Cleaning:

- Use a soft brush or cloth to scrub the treated areas gently.
- Wipe away the dissolved carbon and lead with a clean cloth or paper towel.

4. Rinsing:

- For best results, rinse the suppressor with water to remove any remaining cleaner and residues.
- Ensure the suppressor is completely dry before reattaching it to the firearm.

5. Storage:

- Store the cleaner in a cool, dry place away from direct sunlight.
- Ensure the cap is tightly closed when not in use to prevent leakage.

Disposal Instructions

- Dispose of any unused cleaner and empty containers in accordance with local regulations.
- Do not pour the cleaner down the drain or dispose of it with regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Breakthrough Clean Suppressor Cleaner, please refer to the manufacturer's contact information provided on the product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the Breakthrough Clean Suppressor Cleaner. Thank you for your attention to these important guidelines.
