**SNUB NOSE GRIP MODULE FOR SIG SAUER P365** Precision-Engineered Snub Nose: A replacement Sig Sauer P365 X-Macro Grip Module handle length but made for the Sig Sauer P365 X/XL slide, barrel, internals. No need to buy an X-Macro, just swap your existing parts to our Grip Module! Introduction:

Engineering in Compact Form Discover the epitome of engineering brilliance in a compact package: the Tyrant CNC Snub Nose SIG SAUER P365 Grip Module. Crafted through rigorous design cycles and exhaustive quality assessments, this grip module reimagines what compact efficiency should be. While we offer multiple configurations, including the X-Macro version, this Snub Nose version stands as a unique engineering achievement in the SIG SAUER P365 landscape. With just this Grip Module for the SIG P365 you will be able to transfer all your existing 365 FCU + components to create a true 17 round X-Macro carrying P365 with a 3.1" barrel and slide. All while being able to utilize your existing holster for the ultimate in cross compatibility. An Iterative

Triumph: The Path to Reliability Behind each Snub Nose grip module lies an intricate process of iterative engineering. Tyrant's dedicated team of engineers scrutinized every inch of the design, reworking it through multiple cycles to eliminate vulnerabilities and enhance operational strength. The result is a triumph of compact firearm engineering that stands in a class of its own. Homologation for Maximum Versatility What sets Tyrant's Snub Nose module apart is its carefully engineered homologation. While providing the extended handle length of the SIG SAUER P365 X-Macro, essential for the 17-round magazine, the barrel length stays true to the original P365's 3.1 inches. This ensures that the module is compatible with existing 3.1-inch holsters, offering a seamless transition without requiring additional accessories. Do you have the need for a slide safety? No problem, this grip module for the P365 allows for simple cut out, pre drafted, to be compatible with all Sig Sauer P365 manual safeties. Innovative Material Engineering: Compact Durability Utilizing a sophisticated blend of glass and carbon composites, the Snub Nose Grip Module achieves the paradox of being compact yet extraordinarily durable.

This balance is achieved by engineering away any potential failure points, creating a module that's both incredibly rigid and resistant to shattering or cracking. Ergonomic Excellence: A Grip that Adapts Intensive biomechanical research paved the way for Tyrant's Snub Nose version's optimized ergonomics. The module comes with engineered optional medium and large back straps, designed to conform to a multitude of hand sizes and shapes.

Even the texture—consisting of finely detailed 3D Tyrant logos—has been optimized for better grip and minimum hot spots. Summary: Choose Engineered Compactness **\*\*Designed for Reliability:\*\*** Each module undergoes rigorous engineering scrutiny for unmatched resilience. **\*\*Homologated for Versatility:\*\*** Ensures compatibility with 3.1-inch holsters, allowing for a seamless transition. **\*\*Material Innovation:\*\*** A proprietary blend of glass and carbon composites offers unparalleled durability. In a world where compact doesn't have to mean compromised, the Tyrant CNC Snub Nose SIG SAUER P365 Grip Module exemplifies the best in firearm engineering. It's not just about size; it's about efficiency, reliability, and performance. **FEATURES:** High grip undercut Trigger guard cut Medium length beavertail Variable depth texture to prevent hot spots Redesigned ergonomics for comfort during extended operation Medium and Large back straps included Hard use

approved proprietary composite material Works with manual safety (pre drafted) Works with all P365 Slides Fits existing 365, 365x, 365xl holsters

## Attributes

- Name: [TYRANT CNC SNUB NOSE GRIP MODULE FOR SIG SAUER P365 FDE](#)
- Manufacturer: [TYRANT CNC](#)
- Product no.: 430111988
- Mfr. No.: TD-P365GRM-SNUB-FDE
- Colour: Flat Dark Earth
- Material: Polymer
- Model: P365
- Style: Manual
- Surface: Textured
- Weapon type: Sig Sauer
- Delivery weight: 0.036kg
- Shipping height: 152mm
- Shipping width: 51mm
- Shipping length: 127mm
- UPC: 764046031656

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for SNUB NOSE GRIP MODULE FOR SIG SAUER P365

## Introduction

Thank you for choosing the Tyrant CNC Snub Nose Grip Module designed for the SIG SAUER P365. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions. This product is designed to enhance your firearm's grip while maintaining safety standards.
- **Enhanced Recalls:** Stay informed about any recalls by checking the relevant safety platforms. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the seller meets all safety requirements. Verify the product's authenticity and safety compliance.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware of any updates regarding unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the Snub Nose Grip Module is compatible with your SIG SAUER P365 model before installation.
- **Installation:** Follow the installation instructions closely to avoid improper fitting, which may lead to operational failures.
- **Inspection:** Regularly inspect the grip module for signs of wear or damage. If any issues are found, discontinue use immediately.
- **Handling:** Always handle your firearm with care. Follow all standard firearm safety practices, including keeping the firearm pointed in a safe direction.
- **Modification:** Do not modify the grip module or any parts of your firearm. Unauthorized modifications may void warranties and compromise safety.
- **Training:** If you are unfamiliar with firearm handling or modifications, seek training from qualified professionals.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
2. **Remove Existing Grip:** Carefully remove the existing grip module from your SIG SAUER P365.
3. **Align Components:** Align the Snub Nose Grip Module with the firearm's frame, ensuring all parts fit correctly.
4. **Secure the Grip:** Use the appropriate screws to securely attach the grip module to the firearm. Do not overtighten, as this may damage the module.
5. **Check Functionality:** After installation, check that all components function correctly, including the trigger and safety mechanisms.

## Usage Instructions

- **Grip Handling:** Hold the firearm with a firm grip, ensuring your fingers are positioned correctly on the trigger guard and that your thumb is placed for stability.
- **Regular Maintenance:** Clean the grip module regularly to maintain optimal performance. Use a soft cloth and avoid harsh chemicals that may damage the material.
- **Storage:** Store your firearm in a safe and secure location, away from unauthorized users.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the grip module in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle the grip module by taking it to a facility that accepts composite materials.

## Contact Information for Further Support

For any questions or concerns regarding the SNUB NOSE GRIP MODULE FOR SIG SAUER P365, please refer to the contact information provided by your retailer or manufacturer. They will assist you with any inquiries related to safety, installation, or product performance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Tyrant CNC Snub Nose Grip Module. Thank you for prioritizing safety and performance in your firearm accessories.
