

ERGO ROLLER LEVER FOR RELOADING PRESSES - ERGO ROLLER LEVER FOR LEE CLASSIC CAST SINGLE STAGE PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. Each Ergo Roller lever is made specifically for a specific model of press to position you in the most ergonomic reloading position. The forward offset design of the ergonomic levers snug you into your press, positions you perfectly to see your powder charge before placing a bullet, keeps you from bending/leaning over time after time and keeps you comfortable through-out your reloading session. The roller handle is super smooth and a dream to use. The levers are lathe cut & threaded; then black powder coated. The roller bearing handle is very comfortable diameter to grip and a dream to use.

Safety Instruction Guide for ERGO ROLLER LEVER FOR RELOADING PRESSES

Introduction

Thank you for choosing the ERGO ROLLER LEVER FOR LEE CLASSIC CAST SINGLE STAGE PRESS. This product is designed to enhance your reloading experience by ensuring comfort and efficiency. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always use the ERGO ROLLER LEVER in accordance with the manufacturer's instructions.
- Ensure that your reloading press is compatible with the ERGO ROLLER LEVER before installation.
- Inspect the lever for any damage or wear before each use. Do not use if damaged.
- Keep the work area clean and organized to prevent accidents.
- Store the lever in a safe, dry place when not in use.
- Use personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Ensure the reloading press is securely mounted before using the lever.
- Do not exceed the recommended load capacity of the reloading press.
- Avoid placing hands or fingers near moving parts while operating the lever.
- Always check that the powder charge is correct before placing a bullet.
- Do not lean or bend excessively while using the lever to prevent strain or injury.
- If you experience discomfort while using the lever, stop and adjust your position.
- Be aware of your surroundings and ensure no one is in close proximity while reloading.

Instructions for Installation and Usage

Installation

1. **Unbox the Product:** Carefully remove the ERGO ROLLER LEVER from its packaging.
2. **Inspect the Lever:** Check for any visible damage. If damaged, do not install.
3. **Align the Lever:** Position the lever according to the manufacturer's guidelines for your specific reloading press model.
4. **Secure the Lever:** Use the provided screws to attach the lever firmly to the press. Ensure it is tight and stable.
5. **Check Movement:** Test the lever's movement to ensure it operates smoothly without obstruction.

Usage

1. **Position Yourself:** Stand comfortably with a straight posture while using the lever.
2. **Load the Press:** Follow the reloading press instructions to load the powder and bullet.
3. **Operate the Lever:** Use the roller handle to smoothly operate the press. Avoid sudden movements.
4. **Monitor Your Work:** Always keep an eye on the powder charge and bullet placement.
5. **Finish Safely:** Once reloading is complete, remove the lever if necessary and clean the workspace.

Disposal Instructions

- Dispose of the ERGO ROLLER LEVER according to local regulations for nonhazardous waste.
- Do not throw the lever in regular trash if it is damaged; check for recycling options.

- Ensure that any packaging materials are also disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the use of the ERGO ROLLER LEVER, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the ERGO ROLLER LEVER!
