

ERGO ROLLER LEVER FOR RELOADING PRESSES - INLINE FABRICATION ERGO ROLLER LEVER FOR LEE CLASSIC CAST SINGLE STAGE PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. Each Ergo Roller lever is made specifically for a specific model of press to position you in the most ergonomic reloading position. The forward offset design of the ergonomic levers snug you into your press, positions you perfectly to see your powder charge before placing a bullet, keeps you from bending/leaning over time after time and keeps you comfortable through-out your reloading session. The roller handle is super smooth and a dream to use. The levers are lathe cut & threaded; then black powder coated. The roller bearing handle is very comfortable diameter to grip and a dream to use.

Safety Instruction Guide for ERGO ROLLER LEVER FOR RELOADING PRESSES

Introduction

Thank you for choosing the ERGO Roller Lever for Reloading Presses by Inline Fabrication. This guide provides important safety instructions and guidelines to ensure safe and effective use of this product. Please read this document carefully before using the Ergo Roller Lever.

General Safety Guidelines

- Product Safety:
 - Ensure that the Ergo Roller Lever is used only with compatible reloading presses as specified by the manufacturer.
 - Regularly inspect the lever for any signs of wear or damage before each use.
- Enhanced Recalls:
 - Stay informed about product recalls through official channels. Follow any instructions provided in case of a recall.
- Online Shopping:
 - When purchasing online, ensure that you are buying from authorized retailers to guarantee product safety.
- Special Consumer Focus:
 - Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- EU Contact Point:
 - For any safety inquiries, refer to the manufacturer's contact details provided with the product.
- Rapid Alerts:
 - Monitor the EU Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- Always wear safety glasses when using the reloading press to protect your eyes from debris.
- Ensure that your workspace is clean and free from clutter to prevent accidents.
- Do not operate the reloading press if you are tired or under the influence of substances that may impair your judgment.
- Be aware of your surroundings and keep bystanders at a safe distance while operating the reloading press.
- Do not exceed the recommended load limits for your reloading press.
- Familiarize yourself with the operating manual of your reloading press to ensure proper use.

Instructions for Installation and Usage

Installation

1. Unpack the Product:

- Carefully remove the Ergo Roller Lever from its packaging.
- Inspect all components to ensure they are intact and undamaged.

2. Attach the Lever:

- Locate the mounting point on your reloading press.
- Align the Ergo Roller Lever with the mounting point.
- Securely fasten the lever using the provided hardware, ensuring it is tightly in place.

3. Adjust the Position:

- Adjust the lever's position to ensure it is in a comfortable and ergonomic location for your use.
- Test the movement of the lever to ensure smooth operation.

Usage

1. Prepare for Reloading:

- Ensure that all necessary materials (powder, bullets, brass) are within reach.
- Set up your reloading press according to the manufacturer's instructions.

2. Using the Lever:

- Grasp the roller handle firmly.
- Pull the lever down smoothly to operate the reloading press.
- Always maintain control of the lever during operation to prevent accidents.

3. After Use:

- Clean the Ergo Roller Lever and surrounding area after each reloading session.
- Store the lever in a safe place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the Ergo Roller Lever becomes damaged beyond repair, please follow local guidelines for disposing of metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the use of the ERGO Roller Lever, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with the ERGO Roller Lever. Thank you for your attention to safety.
