

ERGO ROLLER LEVER FOR RELOADING PRESSES - ERGO ROLLER LEVER FOR LEE CLASSIC TURRET PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. Each Ergo Roller lever is made specifically for a specific model of press to position you in the most ergonomic reloading position. The forward offset design of the ergonomic levers snug you into your press, positions you perfectly to see your powder charge before placing a bullet, keeps you from bending/leaning over time after time and keeps you comfortable through-out your reloading session. The roller handle is super smooth and a dream to use. The levers are lathe cut & threaded; then black powder coated. The roller bearing handle is very comfortable diameter to grip and a dream to use.

Safety Instruction Guide for ERGO ROLLER LEVER FOR RELOADING PRESSES

Introduction

Thank you for choosing the ERGO ROLLER LEVER FOR RELOADING PRESSES. This product is designed to enhance your reloading experience while ensuring your safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always use the product as intended and follow the manufacturer's instructions.
- Keep the product out of reach of children and pets.
- Inspect the product regularly for any signs of wear or damage before use.
- Do not modify the product in any way that may compromise its safety.
- In case of any malfunction or damage, discontinue use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the reloading press is stable and securely mounted before using the Ergo Roller Lever.
- Maintain a clean workspace to prevent accidents and ensure safe handling of materials.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Be aware of your surroundings and ensure that no one is in close proximity while you are using the press.
- Avoid distractions while operating the reloading press to maintain focus and prevent accidents.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the Ergo Roller Lever from its packaging. Inspect for any visible damage.
2. **Prepare the Reloading Press:** Ensure that the reloading press is turned off and unplugged if applicable.
3. **Attach the Lever:**
 - Align the Ergo Roller Lever with the designated mounting point on your reloading press.
 - Use the provided screws and tools to securely attach the lever. Ensure it is tightened properly.
4. **Check Alignment:** Ensure the lever is aligned correctly for optimal ergonomic use.

Usage

1. **Position Yourself:** Stand comfortably in front of the reloading press, ensuring that you have a clear view of the working area.
2. **Load Materials:** Carefully load the necessary materials (powder, bullets, etc.) into the reloading press as per the manufacturer's instructions.
3. **Use the Roller Lever:**
 - Grip the roller handle firmly but comfortably.
 - Operate the lever smoothly to avoid any sudden jerks or movements.
 - Monitor your powder charge before placing a bullet to ensure accuracy.
4. **Maintain Focus:** Stay attentive to your tasks and avoid any distractions while reloading.

Disposal Instructions

- Dispose of the product according to local regulations for electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, contact your local waste management authority for guidance.
