

ERGO ROLLER LEVER FOR RELOADING PRESSES - INLINE FABRICATION ERGO ROLLER LEVER FOR LYMAN CRUSHER II PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. Each Ergo Roller lever is made specifically for a specific model of press to position you in the most ergonomic reloading position. The forward offset design of the ergonomic levers snug you into your press, positions you perfectly to see your powder charge before placing a bullet, keeps you from bending/leaning over time after time and keeps your comfortable through-out your reloading session. The roller handle is super smooth and a dream to use. The levers are lathe cut & threaded; then black powder coated. The roller bearing handle is very comfortable diameter to grip and a dream to use.

Safety Instruction Guide for ERGO ROLLER LEVER FOR RELOADING PRESSES

Introduction

Thank you for choosing the ERGO ROLLER LEVER FOR RELOADING PRESSES by Inline Fabrication. This guide provides essential safety information and instructions to ensure the safe and effective use of your reloading press accessory. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure the lever is used only for its intended purpose. Follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any product recalls. Regularly check for updates from the manufacturer.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information available on their website or packaging.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Read the Instructions:** Always read the instruction manual before installation and use.
- **Inspect Before Use:** Check the lever for any damage or defects before each use. Do not use if damaged.
- **Proper Handling:** Always handle the lever with care. Avoid applying excessive force that may cause injury.
- **Ergonomic Positioning:** Ensure you are in a comfortable and ergonomic position when using the lever to prevent strain.
- **Stay Focused:** Avoid distractions while using the reloading press to maintain focus and safety.
- **Use Protective Gear:** Consider wearing safety glasses and gloves while reloading to protect against potential hazards.
- **Keep Workspace Clean:** Maintain a clean and organized workspace to prevent accidents.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the lever from the packaging.
2. **Identify Components:** Ensure all components are included as per the product specifications.
3. **Attach the Lever:**
 - Locate the mounting point on your reloading press.
 - Align the Ergo Roller Lever with the mounting point.
 - Securely fasten the lever using the provided screws or fittings.
4. **Check Stability:** Ensure the lever is securely attached and stable before use.

Usage

1. **Position Yourself:** Stand or sit in a comfortable position that allows you to operate the lever without straining.
2. **Load the Press:** Follow your reloading press instructions for loading materials.
3. **Operate the Lever:** Gently pull or push the lever as needed, maintaining a smooth motion.
4. **Monitor Your Work:** Keep an eye on the powder charge and bullet placement to ensure accuracy.

5. **Finish Safely:** Once reloading is complete, carefully clean the area and store the lever safely.

Disposal Instructions

- **Environmental Responsibility:** Dispose of any packaging materials responsibly. Recycle where possible.
- **Product Disposal:** When the lever reaches the end of its life, dispose of it according to local regulations. Do not dispose of in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the ERGO ROLLER LEVER, please refer to the manufacturer's contact information provided with your product. Ensure you have your purchase details available for reference.

By following these guidelines, you can ensure a safe and effective reloading experience with your ERGO ROLLER LEVER. Thank you for your attention to safety and for choosing Inline Fabrication products.
