

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE/BOLT KIT FOR AREA 419 ZERO PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instructions

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits by Inline Fabrication. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, organized, and free of hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or if the product appears unsafe, discontinue use immediately and contact the manufacturer.
- Report any unsafe product incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the Quick Change Ultra Mount only for its intended purpose as described in the product manual.
- Ensure that the Quick Change Ultramount is securely attached to your workbench before mounting any equipment.
- Do not exceed the weight limit specified by the manufacturer when using the mount.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Be cautious of sharp edges or moving parts during installation and use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your workbench is sturdy and level.
- Locate the mounting holes on the Quick Change Ultramount.
- Align the Ultramount with the desired position on your workbench.
- Use the provided bolts and hardware to securely attach the Ultramount to the workbench.
- Doublecheck that all bolts are tightened and the mount is stable before proceeding.

2. Mounting Equipment:

- Select the appropriate Quick Change Top Plate for your equipment.
- Align the Top Plate with the Ultramount and ensure that it fits securely.
- Use the included hardware to fasten the Top Plate to the Ultramount.
- Confirm that the equipment is securely mounted and does not wobble or move.

3. Using the Quick Change System:

- To remove the mounted equipment, simply follow the reverse steps of the installation.
- Store the equipment in a safe location when not in use, preferably in a designated storage dock.
- If transporting the equipment, ensure it is securely stowed to prevent damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the product reaches the end of its life, dispose of it responsibly, following local waste management regulations.
- Do not dispose of the product in household waste. Check for local recycling programs that accept metal and plastic components.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer service resources. Ensure that you have the product's SKU number ready for reference.

Thank you for prioritizing safety while using the Quick Change Ultra Mount Top Plate & Bolt Kits. Your adherence to these guidelines will help ensure a safe and enjoyable reloading experience.
