

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRA TOP PLATE/BOLT FOR FORSTER CO-AX PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution for your reloading presses. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read the user manual before using the product.
- Ensure that the work area is clean and free of obstructions.
- Use protective eyewear when operating reloading equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding reloading and firearm safety.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the Quick Change Ultra Mount is securely attached to your work surface before mounting any equipment.
- Do not exceed the weight limit specified in the product documentation.
- Always use the appropriate mounting hardware provided in the kit.
- Avoid placing hands or fingers near moving parts during operation.
- Do not modify the product in any way, as this may compromise safety.
- Store the product in a dry, safe place when not in use.

Instructions for Installation and Usage

1. Preparation:

- Choose a stable and flat surface for installation.
- Gather all necessary tools and components from the kit.

2. Installation:

- Locate the mounting area on your work surface.
- Use a drill to create holes for the mounting hardware if required.
- Align the Quick Change Ultra Mount with the predrilled holes.
- Secure the mount using the provided bolts and washers. Ensure all fasteners are tightened properly.

3. Mounting Equipment:

- Select the press or tool you wish to mount.
- Attach the corresponding Quick Change Top Plate to the equipment.
- Align the Top Plate with the Ultra Mount and press down firmly to secure it.

4. Usage:

- Ensure that the equipment is securely mounted before operation.
- Follow the specific operating instructions for your reloading press or tool.
- To change equipment, simply lift the mounted tool off the Ultra Mount and replace it with another.

5. Maintenance:

- Regularly check the mounting hardware for signs of wear or loosening.
- Clean the Ultra Mount and Top Plates with a dry cloth to remove dust and debris.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and plastic components.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please refer to the manufacturer's contact information provided in the product documentation.

By following these safety instructions, you can ensure a safe and effective reloading experience with the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for your attention to safety.
